

Part C State Performance Plan/Annual Performance Report (SPP/APR) Related Requirements

Note: This document includes a list of the Monitoring Priorities and Indicators and the requirements from the statutes and regulations that are related to each priority and indicator. The purpose of this document is to inform States of the statutory and/or regulatory requirements related to each indicator. OSEP encourages States to examine their general supervision systems to determine how they address these Related Requirements. Please note that the Related Requirements listed in the right column are abridged statements of the actual language in the statute and regulations, or merely identify requirements related to indicators. Readers are encouraged to review the full language of the requirements in the statute and regulations to ensure a complete understanding of the requirements.
