State Energy Program Master File

DOE F 540.8

OMB Control No: XXXX-XXXX

Expiration Date: XX/XX/XXXX

PAPERWORK REDUCTION ACT STATEMENT *(click here to hide...)*

This data is being collected to adequately monitor programmatic and financial expenditures and obligations and ensure transparency and accountability. The data you supply will be used by DOE to determine program outcomes and respond to Congressional, budget, and OMB requests.

Public reporting burden for this collection of information is estimated to average 33.3 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Office of the Chief Information Officer, IM-22, Paperwork Reduction Act Office, U.S. Department of Energy, 1000 Independence Ave, SW Washington DC 20585-1290; and to the Office of Management and Budget (OMB), OIRA, Paperwork Reduction Project, Washington, DC 20503.

Submission of this data is mandatory as appropriate and grant recipients can only view their own reporting using multifactor authentication.

NOTE: Recipients are not required to report without a valid OMB control number and expiration date.

The SEP Master File provides the grantee with a location to describe, via narratives, multiple aspects of the Energy Program. This includes strategy, reporting, and monitoring initiatives.

Master File:

1. Description of State Energy Goals to be Achieved (10 CFR 420.13.b.2)

[Edit the full text](#) ⓘ

The Colorado Energy Office (CEO) will build on activities funded by state appropriations to increase energy efficiency and renewable energy implementation statewide. Reducing greenhouse gas pollution and enabling a statewide transition to clean energy are essential to preserving and protecting Colorado's way of life. These actions defend the health of our communities and natural environment, pro...

2. Selection of State Goals (10 CFR 420.13.b.2.ii)
