OMB Approval No. 2502-0625 Exp. 11/30/2023

Public Reporting Burden for this collection of information is estimated to be .5 hours per response, including the time for reviewing instructions and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions to reduce this burden to the Reports Management Officer, QDAM, Department of Housing and Urban Development, 4517th Street SW, Washington, DC 20410–5000. When providing comments, please refer to OMB Control No. 2502–0625. This agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless that collection displays a valid OMB control number.

This information is collected in connection with HUD's Housing Counseling Program established under Section 106 of the Housing and Community Development Act of 1974 and will be used to gather more information on how eviction housing counseling programs have assisted clients to improve program operations and help participants develop best practices. You are not required to respond to this information collection; responses are voluntary. The information collected will not be held confidential.

Welcome

Thank you for participating in the Department of Housing and Urban Development's (HUD) Eviction Counseling Survey. Our goal is to help HUD, Congress, and other interested stakeholders understand how housing counseling agencies can work together to improve eviction counseling services for clients.

The information gathered here is for research and informational purposes only and will not be used in any agency-specific funding or performance review decisions. Please respond to the best of your ability based on your agency's current operations. Even if rental or eviction counseling is not a core part of your agency's work, your response to the survey will be both appreciated and helpful.

Please submit only one survey response for each agency listed in the emails you received and be sure to include information from any of your branch agencies that do not submit their own 9902 reporting forms in your responses. If you have been asked to fill out the survey on behalf of multiple agencies you work with, you might have to clear your browser's cache or use a different browser before filling out the survey additional times. Questions about completing the survey can be submitted to: Eviction.Survey@hud.gov.

We estimate this survey will take 30 minutes to complete.
