9010-1 Plan of Action

1) What is the condition of the product and its immediate container?

2) How long has the product been out of the country?

3) Where has the product been since it was exported from the U. S. ?

4) Under what conditions has the product been held?

5) What has been the chain of ownership of the product?

1) Was the product ever abandoned?

7) Is the product label in compliance with U. S. regulations?

8) Was the product refused entry by a foreign government, and, if so, what were the circumstances behind the refusal?

9) Is the product in its original container?

10) Based on the condition of the product, does the applicant have a plan for handling the product, including any examination, sorting, re-processing, reconditioning, relabeling, etc., that may be necessary?
