

Justification for No Material/Non-Substantiative Change

OMB 0596-0247

USDA Forest Service (FS) is requesting to change the title of the package for OMB 0596-0247 from Public Land Corps Tracking Sheet to Workforce Development Participant Tracking. Also, FS will change the name on Form FS-1800-0026 to be titled Workforce Development Participant Tracking Form.

FS is adding FS-1800-0026a, FS VSPortal Bulk Upload Template to the collection package. FS-1800-0026a provides formatting for uploading the same data collected from FS-1800-0026 to the newly developed FS VSPortal (<https://apps.fs.usda.gov/vsportal/>). FS-1800-0026a is organized in four worksheets to collect all information necessary to bulk import participant and project data into the Portal. The same data is being collected in both Forms. FS personnel will add the information to the FS-1800-26a.

As a result of these changes, there is no additional burden.
