INSTRUCTIONS FOR COMPLETING THE APPLICATION FOR AN AMLR FIRST RECEIVER PERMIT:

Complete the application fields as noted:

1. Enter the company name, tax identification number, the State that the company is registered in, address, phone number, fax number, and email address.
2. Enter additional addresses and other information if applicable.
3. If the applicant holds Federal dealer licenses, include those numbers.

Return completed application to:

NOAA Fisheries Office of International Affairs and Seafood Inspection
1315 East West Highway
Silver Spring, MD 20910
Attn: CCAMLR Permit Office

Completion of this application is required to obtain a permit to receive Antarctic marine living resources, from a vessel permitted to harvest or transship Antarctic Marine Living Resources under 50 CFR 300.107, at a U.S. port of landing under provisions of the Antarctic Marine Living Resources Convention Act of 1984 (16 USC 2431 *et seq.*). No permit will be issued without completion of this application. Permits to first receive AMLR enable NMFS to track that all entries of AMLR are in compliance with regulations that appear in Volume 50, Part 300 Subpart G of the Code of Federal Regulations.

Paperwork Reduction Act:

All responses to this information collection are mandatory under 50 CFR 300 Subpart G. Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Notwithstanding any other provision of the law, no person is required to respond nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to National Marine Fisheries Service, 1315 East West Highway, Attention: CCAMLR Permit Office, Silver Spring, Maryland, 20910.

NMFS will treat any trade secrets or confidential business information submitted in an application as exempt from public disclosure under the Freedom of Information Act if authorized under the Act.
