

Ryan White HIV/AIDS Program Part F Dental Services Report

Instruction Manual 2023

Release Date: December 13, 2022

Public Burden Statement: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. The OMB control number for this project is 0915-0151, with an expiration date of 7/31/2023. Public reporting burden for this collection of information is estimated to average 45 hours per response for Ryan White HIV/AIDS Program (RWHAP) Part F Dental Reimbursement Program respondents and 35 hours per response for RWHAP Part F Community-Based Dental Partnership Program respondents, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 14N39, Rockville, MD 20857.

Icons Used in this Manual

The following icons are used throughout this manual to alert you to important and/or useful information.

The note icon highlights information that you should know when completing this section.

The tip icon points out recommendations and suggestions that can make it easier to complete this section.

The question mark icon indicates common questions asked with answers provided.

A star icon indicates important information pertaining to the submission of the DSR.

Reminders and Updates for 2023 Reporting

- The Dental Services Report (DSR) is completed in a web-based platform accessible [here](#).
- Agencies may now select multiple options for [Institution/Program Type \(see page 8\)](#).
- The Dental Reimbursement Program (DRP) Notice of Funding Opportunity (NOFO) release date is **January 6, 2023**.
- **DRP Unreimbursed Costs:** For DRP, the total unreimbursed costs of oral health care provided to patients with HIV from July 1, 2021, through June 30, 2022, entered in Section 4 Tab 2 **must match the unreimbursed amount entered in fields 18a and 18g of the SF-424. Failure to submit this information in accordance with above instruction will result in an incomplete application and HRSA will deem your application ineligible.**

DSR Report Deadline

- Community-Based Dental Partnership Programs (CBDPPs) must submit data no later than **March 10, 2023**.
- DRPs must submit data no later than **March 10, 2023**.

Overview of the RWHAP Dental Program

Introduction

The Ryan White HIV/AIDS Program (RWHAP), first authorized by the U.S. Congress in 1990, is administered by the U.S. Department of Health and Human Services (HHS), Health Resources and Services Administration's (HRSA) HIV/AIDS Bureau (HAB). As part of the RWHAP, Section 2692(b) of Title XXVI of the Public Health Service Act authorizes the Secretary of Health and Human Services to make grants through the Dental Reimbursement Program (DRP) to accredited predoctoral dental, postdoctoral dental, and dental hygiene education programs to help cover the unreimbursed costs of providing oral health services to patients with HIV. Each eligible dental education program may submit an annual application that documents its unreimbursed costs of providing oral health care to patients with HIV during the prior year. The Secretary distributes the available funds among all eligible applicants, taking into account the unreimbursed costs incurred by each institution, the total of all costs incurred by all eligible applicants, and the amount of funds available.

Section 2692(b) also authorizes the Secretary to make grants to accredited predoctoral dental, postdoctoral dental, and dental hygiene education programs to support partnerships between dental education programs and community-based oral health providers. The Community-Based Dental Partnership Program (CBDPP) focuses on the provision of care and the training of additional oral health providers through collaborative community-based partnerships to increase access to oral health care for people with HIV. The CBDPP grants are awarded for project periods up to five years. Each recipient must collect, manage, and report annual program data that will document key service delivery and educational components of the funded programs.

Administration

The DRP and CBDPP are administered by the Division of Community HIV/ AIDS Programs (DCHAP) within the HRSA HAB.

CBDPP questions should be directed to:

Recipient's Project Officer

DRP questions should be directed to:

Catishia Mosley, MSPH

Public Health Advisor

DSR Technical Assistance

Ryan White HIV/AIDS Program Data Support and Technical Assistance

If you need technical assistance or have reporting questions, contact Ryan White Data Support via telephone or email.

Days and hours of operation: Monday – Friday, 10 a.m. – 6:30 p.m. ET

Phone number: 1-888-640-9356

Email: RyanWhiteDataSupport@wrma.com

Please note that Ryan White Data Support is closed on all observed federal holidays.

Grants.gov Technical Assistance

If you need technical assistance with the SF-424 submission, contact Grants.gov.

Days and hours of operation: 24 hours a day 7 days a week excluding federal holidays

Phone number: 1-800-518-4726

Email: Support@grants.gov

Create a Ticket [Here](#)

Eligibility

To be eligible for DRP and CBDPP funding, the applicant must be an institution with a predoctoral dental, postdoctoral dental, or dental hygiene education program that is accredited by the Commission on Dental Accreditation of the American Dental Association. DRP applicants must have documented unreimbursed costs of oral health care provided to people with HIV.

Form Overview and Requirements

The DSR is used by two programs under the Ryan White HIV/ AIDS Treatment Extension Act of 2009: the DRP and the CBDPP. The DSR is designed to collect data from accredited pre- and postdoctoral dental education programs and dental hygiene education programs regarding oral health services provided to people with HIV.

DRP institutions applying for dental reimbursement funding must submit a completed report annually to receive assistance with their unreimbursed costs of care incurred in providing direct oral health services. CBDPP grant recipients use this report to submit annual program data, which is a reporting requirement of the grant award.

General Requirements

DRP applicants and CBDPP recipients must complete the following components of the DSR:

- Program Contacts
- Section 1: Patient demographics and oral health services
- Section 2: Funding and payment coverage
- Section 3: Staffing and training

Dental Reimbursement Program (DRP) Application Requirements

All applicants for DRP funding will use this report to submit information for the period **July 1 through June 30** of the previous year (e.g., applications due in Spring 2023 report on services and training provided from July 1, 2021, to June 30, 2022).

In addition to the [General Requirements \(page 5\)](#), DRP applicants also must complete [Section 4 \(DRP\): Additional Dental Reimbursement Program Information \(page 29\)](#), which includes items regarding use of funding, unreimbursed costs, and narratives. The narrative responses describe various aspects of the applicant's program and help portray the scope of oral health care provided to patients with HIV.

Use the [DSR website](#) to complete and submit your report. The DRP submission has two submission components:

- An application package and unreimbursed cost to [Grants.gov](#).
- Your DSR data via the [DSR Website](#).

Paper submissions will generally not be accepted. In extreme cases, you may request a formal waiver of the requirement to submit electronically.

DRP DSR and Grants.gov submissions received after the due date, are incomplete, or are from institutions that do not have an accredited dental or dental hygiene education program **will not be accepted for consideration for funding.**

Community-Based Dental Partnership Program (CBDPP) Data Reporting Requirements

All CBDPP recipients will use this report to submit annual program data for the period of **January 1 through December 31** of the prior year.

In addition to the [General Requirements \(page 5\)](#), CBDPP recipients must also complete [Section 4 \(CBDPP\): Additional Community-Based Dental Partnership Program Information \(page 31\)](#), which includes items about the target populations and member organizations of the CBDPP.

Use the [DSR Website](#) to complete and submit your report.

Dental Services Report Materials

To obtain guidance materials, go to the [HRSA HIV/AIDS Bureau website](#). Resources are also available for download via the Resources option in the [Navigation Bar \(page 13\)](#) of the [DSR Website](#).

Registering for the Dental Services Report Web System

DRP Registration Steps

Step 1

Navigate to the [DSR Website](#).

Step 2

Click the link to fill out the DSR Registration Form Link ([Figure 1](#)).

Figure 1. DSR Registration Form Link

Step 3

You will be taken to the registration page ([Figure 2](#)). You must indicate if your organization is a CBDPP grantee by selecting "yes" or "no." If you are only applying for the Dental Reimbursement Program, select "no." If you are a CBDPP recipient, select "yes" and follow the [CBDPP Registration Steps \(page 10\)](#).

Step 4

- **Organization's name.** Enter your organization's name. A pre-populated list of organizations will appear. If your organization's name appears in the populated list, go to Step 4a. If it does not appear in the list, go to Step 4b.

Step 4a

- Click your organization's name from the populated list. Your Organization Information will automatically populate. Continue to Step 5.

Step 4b

Complete the following fields:

- **Institution/Program Type (Select all that apply)**
 - Accredited predoctoral dental education program – School of Dentistry
 - Accredited postdoctoral dental education program – School of Dentistry, Hospital, Health Center, or Other
 - Accredited dental hygiene education program

New in 2023, agencies may now select all **institution/program type** that apply. If you require assistance with this, contact [Ryan White HIV/AIDS Program Data Support and Technical Assistance \(page 4\)](#).

- **Organization Address**
- **Institution/Program Website Address**

Step 5

Complete the **User Information** section by completing the following components:

- **Email Address**
- **First and Last Name**
- **User Address**
- **Contact Information**

Step 6

Click "Submit Request." You will receive an email stating your request has been submitted. All registration requests are reviewed by Ryan White Data Support. If approved, you will receive an email with a link to continue setting up your account. The link is only active for 24 hours. If 24 hours have elapsed, you can have a new email sent to finish setting up your account by using the Forgot Password link on the login page.

Figure 2. DRP Registration Form

Register for a user account

Complete the form on this page to request a user account. The DSR Helpdesk will review your account request and if your account is approved, you will receive an email with a link to log in and set your password and a multifactor authentication option.

Is your organization a CBDPP grantee?

Yes No

Organization Information

Enter your organizations name *

User Information

Email Address *

First Name * Last Name *

Street 1 * Street 2

City * State * Zip Code *

Phone Number * Fax Pager

CBDPP Registration Steps

Step 1

Navigate to the [DSR Website](#).

Step 2

Click the link to fill out the DSR Registration Form Link ([Figure 3](#)).

Figure 3. DSR Registration Form Link

Step 3

You will be taken to the "Register for a user account" page ([Figure 4](#)). Indicate if your organization is a CBDPP grantee by selecting "yes" or "no." CBDPP recipients may still complete the DRP application even if "yes" is selected. If "no" is selected, return to the [DRP Registration Steps \(page 7\)](#).

Step 4

Complete the **Organization Information** section by completing the following components:

- **Organization's name.** Begin entering your organization's name. A list of options should populate. Select your organization from the list. If you do not see your organization populate, contact the [DSR Technical Assistance \(page 4\)](#).

Step 5

Complete the **User Information** section by completing the following components:

- **Email Address**
- **First and Last Name**
- **User Address**
- **Contact Information**

Step 6

Click “Submit Request.” You will receive an email stating your request has been submitted. All registration requests are reviewed by Ryan White Data Support. If approved, you will receive an email with a link to continue setting up your account. The link is only active for 24 hours. If 24 hours have elapsed, you can have a new email sent to finish setting up your account by using the Forgot Password link on the login page.

Figure 4. CBDPP Registration Form

Register for a user account

Complete the form on this page to request a user account. The DSR Helpdesk will review your account request and if your account is approved, you will receive an email with a link to log in and set your password and a multifactor authentication option.

Is your organization a CBDPP grantee?
 Yes No

Organization Information
Enter your organizations grant number or name *

Accessing the Dental Services Report Web System

Step 1

Navigate to the [DSR Website](#).

Steps for registering for the DSR website can be found here: [Registering for the Dental Services Report Web System \(page 7\)](#).

Step 2

On the login page, you will enter your email and password and click “Log in.”

Forgot Password? Use the Forgot Password link on the Login page and enter your email address when prompted to receive a password reset email.

Step 3

If this is your first time logging in, you will be prompted to set up an Authentication Phone Number. See [What is Multi-Factor Authentication? \(page 38\)](#) for more details on how to manage your authentication settings. Depending on the authentication method chosen, you will do one of three things:

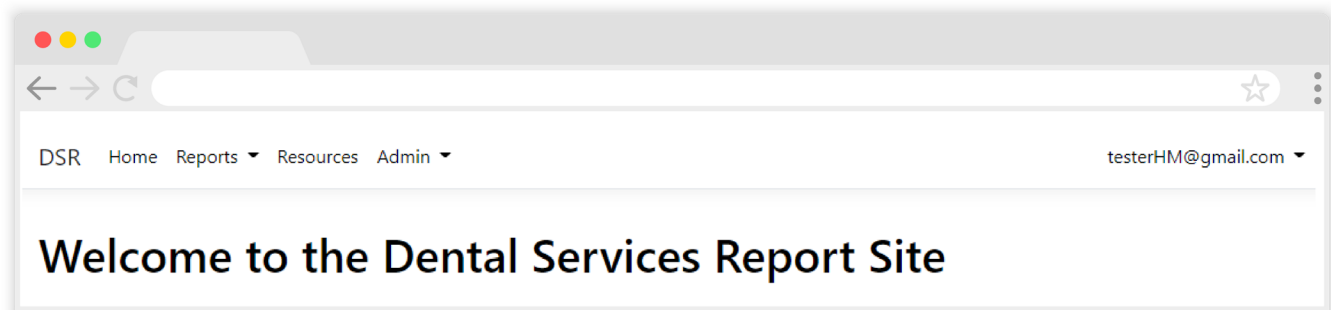

1. If you select the “text message” option, you will input your telephone number and press “Save.” You will then receive a six-digit authentication code via text to enter into the code field. Click “Save.”
2. If you select the “voice call” option, you will input your telephone number and press “Save.” You will then receive an automated voice call to your telephone. You will enter the spoken six-digit authentication code into the field and then click “Save.”
3. If you select the “Google Authenticator” option, you will be prompted to open the Google Authenticator app on your smartphone device. You may either scan the QR code on the screen using the Google app or manually enter the provided code. Once you click “Save,” you will be prompted to enter the current six-digit authentication code the app displays for the [DSR Website](#). Click “Save.”

Navigating the Dental Services Report Website

Navigation Bar

There are five sections of the system that are accessed by the navigation bar at the top of the page. These sections are described below.

Figure 5. DSR Site Navigation Bar

Why don't I see "Admin" on my navigation bar?

Only one user for each organization will have the OrgAdmin user role. More information about the organization admin role can be found in the Admin (Organization Admin User Only). If you need assistance changing your organization's OrgAdmin, contact Ryan White HIV/AIDS Program Data Support Technical Assistance.

Home:

Click "Home" to return to the DSR landing page. Announcements pertaining to the submission and Ryan White Data Support's contact information can be found on this page.

Reports:

My Organization Info: Your organization's information, including organization name, institution/program type, grant number, address, and program website are listed here.

These fields are only editable by the organization's Admin (OrgAdmin). If you're in need of assistance with editing this information, contact [Ryan White HIV/AIDS Program Data Support and Technical Assistance \(page 4\)](#) or your OrgAdmin.

Dental Reimbursement Program: Click here to access the DRP Report. The website will default to the current reporting period. Past submission periods will be accessible in Read Only format using the Submission Period dropdown menu.

Community-Based Dental Partnership Program: CBDPP recipients will click here to access the CBDPP Report. The website will default to the current reporting period. Past submission periods will be accessible in Read Only format using the Submission Period dropdown menu.

Only CBDPP recipients will have access to the CBDPP Report. If you're in need of assistance accessing your report, contact [Ryan White HIV/AIDS Program Data Support and Technical Assistance \(page 4\)](#).

Resources:

Ryan White Data Support and HRSA HAB will post DSR resources here, such as this Instruction Manual and PDF versions of the forms.

Admin (Organization Admin User Only):

Each organization has one organization Admin (OrgAdmin) user. If you're unsure of who this individual is within your organization, contact [DSR Technical Assistance \(page 4\)](#).

Manage Registration Requests: The OrgAdmin can approve or reject new user registration requests here.

Manage Users: The OrgAdmin can modify who is the assigned OrgAdmin for the organization, review other organization users, and deactivate user accounts for their organizations.

Your Email Address:

My Profile: From the My Profile page, you can change your password, change your multi-factor authentication type, and update your contact information.

Log off: Use this link to log out of the DSR website.

Dental Services Report Workflow

Login

Login to the [DSR Website](#).

Access the Report

Access the DRP or CBDPP Report via the Reports tab dropdown menu at the top of the page.

Complete the Report

Once in the report, complete each section. This includes Program Contacts and Sections 1-4. Additional instruction can be found here: [Dental Services Report Instructions \(page 17\)](#).

Each section must be completed sequentially in its entirety and error free before the section can be successfully saved. We suggest using the blank PDF to collect data prior to entering data in the DSR website.

Submit the Report

Once each section has been successfully saved, click “Submit.” You will be asked to verify that the information submitted is accurate and you are authorized to submit this report. Once you click “Verify,” you may still view each section of the report, but the information will no longer be editable. Your report will advance to “Submitted” status as indicated in [Figure 6 \(page 16\)](#).

Prior to submission, you may generate a filled in PDF of the data entered in the DSR website. This may be used to verify data internally prior to submitting the report. However, your submission is not complete until the report is in “Submitted” status.

Figure 6. Submission Status Table

Date/Time	Status	User
8/9/2021 4:35 PM	Submitted	user@domain.com
7/20/2021 4:31 PM	Unsubmitted	user@domain.com
7/20/2021 4:30 PM	Unsubmit Requested	user@domain.com
6/16/2021 5:27 PM	Submitted	user@domain.com
6/16/2021 5:19 PM	Unsubmitted	user@domain.com
6/16/2021 5:17 PM	Unsubmit Requested	user@domain.com
6/16/2021 5:17 PM	Submitted	user@domain.com
6/14/2021 4:34 PM	Unsubmitted	user@domain.com
6/14/2021 4:28 PM	Unsubmit Requested	user@domain.com
5/17/2021 7:03 PM	Submitted	user@domain.com

Print the Report

Once submitted, you may click “Print” to access a completed PDF version of your report and save it for your records. This PDF may take up to a minute to generate.

Unsubmit the Report (if applicable)

If you’ve identified an issue with your report and it’s within the reporting period, you may request to “Unsubmit” your report. Each request is reviewed by Ryan White Data Support. If approved, you will receive an email when your report has been returned to “Working” status. Return to the report to correct and resubmit the data.

Dental Services Report Instructions

All programs must complete the [General Requirements \(page 5\)](#).

Each section must be completed sequentially in its entirety and error free before the section can be successfully saved. We suggest using the blank PDF to collect data prior to entering data in the DSR website.

Program Contacts

Primary Contact: Indicate the name and contact information for the person most closely connected to the provision of services covered by this report, typically the dentist or dental hygienist managing the program. This person will be notified of funding and will be considered the primary contact for all dental program communications. Include the contact person's email address, as this has become a primary method of correspondence.

Alternate Program Contact: Provide an alternate name and contact information for a person connected to the provision of services if the primary contact is unavailable.

Section 1: Patient Demographics and Oral Health Services

Tab One:

Unduplicated Patient Count: Indicate the number of all unduplicated patients with HIV who received at least one oral health service from your program's students, residents, faculty, or dental staff during the period covered by this report, regardless of where these services were provided. For CBDPP recipients, this number should include all individuals with HIV seen during this period whose services were exclusively or partially paid for by RWHAP. Include patients who are not continuing to receive services from your clinic because they moved; transferred to another institution, program, or provider; or died.

This must be an actual count of patients with HIV. You may not use estimates of any kind.

New Patients: Of the number of patients reported in the unduplicated patient count, indicate how many patients were seen by your program for the first time during the period covered by this report. Patients who were seen in a prior period, even if after an absence from your clinic, should not be counted as new patients.

The number of new patients reported must be less than or equal to the total unduplicated patients.

HIV/AIDS Status: Of the number of unduplicated patients, indicate the number by HIV/AIDS status as of the first visit in the period covered by this report.

- HIV-positive, not AIDS
- HIV-positive, AIDS status unknown
- CDC-defined AIDS

The sum of all HIV/AIDS status categories must equal the total number of unduplicated patients.

The 1993 AIDS Surveillance Case Definition of the U.S. Centers for Disease Control and Prevention

A diagnosis of AIDS is made whenever a person is living with HIV and:

- Has a CD4+ cell count below 200 cells per microliter,
- Their CD4+ cells account for less than 14 percent of all lymphocytes, or
- They have been diagnosed with one or more AIDS-defining illnesses.

Go to the [CDC website](#) for a complete list.

Tab Two:

Gender: Of the number of unduplicated patients reported, indicate the number by gender.

- Male
- Female
- Transgender male to female
- Transgender female to male
- Transgender other
- Unknown

The sum of all gender categories must equal the total number of unduplicated patients reported.

Sex at Birth: Of the number of unduplicated patients reported, indicate the number by the sex assigned to the client at birth.

- Males
- Females

Age: Of the number of unduplicated patients reported, indicate the number of patients by their oldest ages at any time during the period covered by this report.

- <13
- 13-24
- 25-34
- 35-44
- 45-54
- 55-64
- 65 or older

Income: Of the number of unduplicated patients reported, indicate the number of patients by their annual household income relative to the federal poverty guidelines at any time during the period covered by this report. (See the [Federal Poverty Guidelines](#))

- Equal to or below the federal poverty line
- 101-200% of the federal poverty line
- 201-300% of the federal poverty line
- >300% of the federal poverty line
- Unknown/unreported

The sum of all Household Income categories must equal the total number of unduplicated patients reported.

Race: Of the number of unduplicated patients reported, indicate the number by the race categories shown. Patients who identify with more than one race or multi-race should be counted in the “More than one race” category.

The following racial category descriptions, defined in October 1997, are required for all federal reporting, as mandated by OMB.

Find more information [here](#). HRSA mandated use of these categories as of January 2002.

- **American Indian or Alaska Native** is a person having origins in any of the original peoples of North and South America (including Central America) and who maintains tribal affiliation or community attachment.
- **Asian** is a person having origins in any of the original peoples of the Far East; Southeast Asia; or the Indian subcontinent, including Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.
- **Black or African American** is a person having origins in any of the black racial groups of Africa.
- **Native Hawaiian or Other Pacific Islander** is a person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.
- **White** is a person having origins in any of the original peoples of Europe, the Middle East, or North Africa.
- **More than one race** is a person who identifies with more than one racial category.

The sum of all race categories must not exceed the total number of unduplicated patients reported. RWHAP dental programs are expected to make every effort to obtain and report race information based on each patient’s self-identification.

Ethnicity: Of the number of unduplicated patients reported, indicate the number by the ethnicity categories shown.

- **Hispanic or Latino/a** is a person of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race.
- **Non-Hispanic or Latino/a**

The sum of the ethnicity categories must not exceed the total number of unduplicated patients reported. RWHAP dental programs are expected to make every effort to obtain and report ethnicity information, based on each patient's self-identification.

Tab Three:

Pregnancy Status: Of the total number of patients with HIV whose sex at birth was reported as female, indicate their pregnancy status during the period covered by this report. Indicate their status as "pregnant," when that is known, regardless of the pregnancy outcome.

Also indicate the number who were known to not be pregnant, or who were unsure of their pregnancy status.

- Pregnant
- Not pregnant
- Unsure if pregnant
- Unknown/unreported

If data are reported in the "unknown/unreported" category, indicate why the data are not available. The sum of all pregnancy categories must equal the total number of patients whose sex at birth was female.

Hispanic Subgroup: Of the number of Hispanic patients reported, indicate the number by the ethnic subcategories shown.

- Mexican, Mexican American, Chicano/a
- Puerto Rican
- Cuban
- Other Hispanic, Latino/a or Spanish origin

The sum of the Hispanic ethnicity categories must not exceed the total number of Hispanic patients reported. RWHAP dental programs are expected to make every effort to obtain and report ethnicity information based on each patient's self-identification.

Native Hawaiian or Pacific Islander Subgroup: Of the number of Native Hawaiian or other Pacific Islander patients reported, indicate the number by the racial subcategories shown.

- Native Hawaiian
- Guamanian or Chamorro
- Samoan
- Other Pacific Islander

The sum of the Native Hawaiian or other Pacific Islander racial categories must not exceed the total number of Native Hawaiian or other Pacific Islander patients reported. RWHAP dental programs are expected to make every effort to obtain and report race information based on each patient's self-identification.

Asian Subgroup: Of the number of Asian patients reported, indicate the number by the racial subcategories shown.

- Asian Indian
- Chinese
- Filipino
- Japanese
- Korean
- Vietnamese
- Other Asian

The sum of the Asian racial categories must not exceed the total number of Asian patients reported. RWHAP dental programs are expected to make every effort to obtain and report race information based on each patient's self-identification.

Tab Four:

Location: Of the number of unduplicated patients reported, show the number who usually received their primary medical care in each of the locations listed.

- Provider or clinic co-located in the same physical facility or site where oral health care is provided
- Provider or clinic in the same institution providing oral health care, but at a different site
- Other medical provider or clinic not in the same institution providing oral health care at a different site
- Unknown/unreported

The total number of patients reported here should be equal to the number of unduplicated patients reported.

Service Type: Indicate the total number of visits made by patients for each type of service provided during the period covered by this report. This question is intended to determine the scope and relative frequency of oral health services provided for your patients, not the number of individual treatment procedures performed. Therefore, **report numbers of visits**, not patients or procedures. If your program provided several services to a patient during a single clinic visit, count each service type as a separate visit. For example, if during a patient’s clinic visit, you took radiographs, performed two quadrants of root planning, and provided root canal therapy for two molars, count these as three visits — one visit each in the diagnostic, periodontic, and endodontic service categories.

If the type of service provided is not listed, specify it in the “Other” category.

- Diagnostic
- Preventive
- Oral health education/health promotion
- Nutrition counseling
- Tobacco prevention/cessation
- Oral medicine/oral pathology
- Restorative
- Periodontic
- Prosthodontic
- Oral and maxillofacial surgery
- Endodontic
- Anesthesia/sedation/nitrous oxide analgesia/palliative care
- Emergency services
- Other (specify below)

Section 2: Funding and Payment Coverage

Tab One:

Ryan White HIV/AIDS Program Funding: Indicate whether the parent institution of the program received any other RWHAP funding during the period covered by this report (i.e., monies received from RWHAP Parts A–D, Special Projects of National Significance, or AIDS Education and Training Centers) to provide any HIV-related services, not only oral health services or training. Indicate the total amount the parent institution of the program received from each funding type listed (rounded to the nearest dollar). If no additional funding was received, enter “0” in the corresponding field.

- Part A
- Part B
- Part C
- Part D
- Part F Special Projects of National Significance (SPNS)
- Part F AIDS Education and Training Centers (AETCs)

Third-Party Payor Coverage: Of the number of unduplicated patients reported, indicate how many received oral health care with no or partial third-party payor coverage and the number whose third-party payor coverage status was unknown.

- NO third-party payor coverage
- PARTIAL third-party payor coverage
- UNKNOWN third-party payor coverage status

The total number of patients reported here should be equal to the total unduplicated patients reported.

Only report direct reimbursements from third-party payors (public and private) as payment for services provided. For the purposes of this report, funding from RWHAP or other grants is considered program income or revenue and should not be reported in Third-Party Payor Coverage or Number of Patients and Payments Received.

Tab Two:

Number of Patients and Payments Received: Indicate the number of patients with HIV whose oral health care was partially covered by each of the listed payment sources and the amounts of payments received (rounded to the nearest dollar) from those sources, including patients who self-pay. For the purposes of this report, count a patient if at any time during the period covered by this report, payment was received for at least one visit or service.

Report patients whose oral health care was covered by more than one payment source under **all** categories of payment source from which payment was received. For example, report a patient whose care was supported by Medicare and private insurance twice in this table. If a payment source is not included, specify it in the “Other” category ([Figure 7](#)).

If a value is entered in the “Patients with HIV column,” the “Payment Received (\$)” column may not be blank.

Figure 7. DSR Funding and Payment Coverage Table

	Patients with HIV	Payment Received (\$)
Medicaid (non-HMO/non-managed care) *	0	
Medicaid (HMO/managed care) *	0	
Medicare *	0	
Other public insurance (e.g. Tricare, VA) *	0	
Private Insurance, including HMO/managed care *	0	
Self-pay or cash *	0	
Other *	0	
Unknown *	0	
Total	0	

Section 3: Staffing and Training

Staffing and Training: For the period covered by this report, indicate the total number of students, residents, and other nonstudent dental providers who were enrolled in or rotated through your program, and the total number of those students, residents, and other dental providers who received training in providing services to patients with HIV. Also indicate the total number of hours of your training curriculum dedicated to issues related to HIV and oral health management, and the total number of hours that all students, residents, and other dental providers spent providing direct clinical services for patients with HIV. Include any optional narrative description of your HIV training program to provide further clarification ([Figure 8](#)).

Data validations triggered for this table are based on the institution/program type(s) selected. To review your agency's selections, please review the "My Organization Info" on the [Reports \(page 14\)](#) navigation bar. If you need assistance, contact [Ryan White HIV/AIDS Program Data Support and Technical Assistance \(page 4\)](#).

Figure 8. DSR Staffing and Training Table

← → ↻
☆ ⋮

Staffing and Training

For this reporting period, provide the following information about the number of dental students, residents, dental hygiene students, and other non-student dental providers who participated in or rotated through your program.

Please add an optional narrative description of your HIV training program in the comment box at the bottom of the page as further clarification of the information that you provide.

	Predoctoral dental students	Dental residents or postdoctoral students	Dental hygiene students	Other non-student dental providers
Students and residents enrolled in all years of the school/program	<input type="text" value="0"/>	<input type="text" value="0"/>	<input type="text" value="0"/>	
Students, residents, and other providers who received formal didactic instruction in medical assessment or oral health management for patients with HIV	<input type="text" value="0"/>	<input type="text" value="0"/>	<input type="text" value="0"/>	<input type="text" value="0"/>
Students, residents, and other providers who gained experience providing direct clinical services for patients with HIV	<input type="text" value="0"/>	<input type="text" value="0"/>	<input type="text" value="0"/>	<input type="text" value="0"/>
Number of training hours as part of your curriculum (didactic and clinical) dedicated to issues related to medical assessment or oral health management for patients with HIV	Required curriculum	<input type="text" value="0"/>	<input type="text" value="0"/>	<input type="text" value="0"/>
	Elective curriculum	<input type="text" value="0"/>	<input type="text" value="0"/>	<input type="text" value="0"/>
	Total	<input type="text" value="0"/>	<input type="text" value="0"/>	<input type="text" value="0"/>
Hours of direct clinical services for patients with HIV provided by students, residents, and other providers	<input type="text" value="0"/>	<input type="text" value="0"/>	<input type="text" value="0"/>	<input type="text" value="0"/>

Optional Narrative description of training:

Section 4 (DRP): Additional Dental Reimbursement Program Information

This section is only completed by agencies submitting the DRP DSR.

Tab One:

Use of Funding: Check each way you will use DRP funds (check all that apply). If a use is not listed, specify it in the “Other” category.

- Direct patient services (e.g., provider/faculty salaries)
- Patient education or outreach
- Curriculum development
- Student education/training
- Staff education/training
- Clinic staff salary/support
- Equipment/instruments/supplies/materials
- Pharmaceuticals or dental medicaments
- General operations
- Other (specify)

Tab Two:

Unreimbursed Costs: Indicate the total unreimbursed costs (rounded to the nearest dollar) of oral health care provided to patients with HIV during the period covered by this report. Institutions/programs should review their charts and financial records to calculate the total actual unreimbursed costs of services provided. If you cannot calculate actual costs, use your institution’s usual fees as a surrogate for the services provided (before any discount or sliding-fee schedule is applied).

Calculation Methods: Provide a concise description of the methods used to calculate the reported Unreimbursed Costs.

The total unreimbursed costs of oral health care provided to patients with HIV from July 1, 2021, through June 30, 2022, entered must match the unreimbursed amount entered in 18a and 18g of the SF-424.

Tab Three:

Your narrative responses will inform HRSA of your program's unique characteristics and strengths in providing comprehensive oral health care for patients with HIV. Your responses will also enable HRSA to more fully understand the environment in which oral health care is provided to patients with HIV and to gauge the extent of collaboration among the various RWHAP-supported programs.

Site Descriptions: Concisely describe the sites where your predoctoral dental/postdoctoral dental/ dental hygiene education program provides oral health services to patients with HIV. In identifying these sites, describe whether students and residents provide direct patient care in community-based facilities and whether such facilities are organizational components of your institution or separate organizations.

Working Relationships with Ryan White HIV/AIDS Programs: Describe working relationships that your predoctoral dental/postdoctoral dental/ dental hygiene education program has established with RWHAPs, including RWHAP Part A HIV planning councils and RWHAP Part B HIV consortia. Describe how your program has been working to maximize coordination, integration, and effective linkages among local RWHAP-funded programs.

Special Strengths or Unique Capabilities: Concisely describe any special strengths or unique capabilities of your predoctoral dental/postdoctoral dental/dental hygiene education program with respect to providing oral health care for patients with HIV (e.g., facilities, hours of operation, support services, or staff skills or expertise). Include evening and weekend clinic hours, onsite participation in clinical trials, provider or staff diversity, special patient education programs, the availability of childcare services, language translation services, transportation services, or other special strengths.

Section 4 (CBDPP): Additional Community-Based Dental Partnership Program Information

This section is only completed by agencies submitting the CBDPP DSR.

Target Populations: Indicate which populations of people with HIV were prioritized to receive outreach or services from your program during the period covered by this report (check all that apply).

- Urban populations
- Suburban populations
- Rural populations
- Migrant or seasonal workers
- Youth experiencing homelessness
- Gay, lesbian, bisexual, transgender, gender non-conforming youth
- Gay, lesbian, bisexual, transgender, gender non-conforming adult
- People experiencing homelessness
- People who are justice involved
- People with substance use disorders
- Other (specify)

HRSA RWHAP recipients and subrecipients may provide HRSA RWHAP core medical services and support services to people with HIV incarcerated in federal and state prison systems on a transitional basis only. HRSA RWHAP recipients and subrecipients may also provide HRSA RWHAP core medical services and support services to people with HIV incarcerated in other correctional systems on a short-term and/or transitional basis. Please see [HRSA HAB Policy Clarification Notice 18-02 The Use of Ryan White HIV/AIDS Program Funds for Core Medical Services and Support Services for People Living with HIV Who Are Incarcerated and Justice Involved](#) for further clarification on the provision of HRSA RWHAP services to people with HIV who are justice-involved.

Member Organizations: List your CBDPP member organizations' names and addresses and each partner's primary contact person. Also indicate if each partner receives CBDPP funds by selecting "yes" or "no," and briefly describe each partner's role, function, or contribution to the partnership (e.g., special staff skills, capacity to provide services or train providers, experience managing grants, expertise in community outreach or dental case management, capacity to provide transportation or child care services).

To add the organization, click "Add Member Organization" as shown in [Figure 9 \(page 32\)](#).

Figure 9. Add Member Organization

A new window will open with fields pertaining to the member organization you're adding. Complete the required fields, including a brief description of the partner's role or function and click "Save" as shown in [Figure 10 \(page 33\)](#).

Figure 10. Member Organization Details

The screenshot shows a web browser window with a form titled "Member Organization Details". The form contains the following fields and controls:

- Organization Name ***: Text input field.
- Contact Person Name ***: Text input field.
- Street 1 ***: Text input field.
- Street 2**: Text input field.
- City ***: Text input field.
- State ***: Dropdown menu with "Select a state" as the current selection.
- ZIP Code ***: Text input field.
- Phone ***: Text input field.
- Fax**: Text input field.
- Email Address ***: Text input field.
- Does this partner member receive CBDPP funds? ***: Radio button group with "Yes" and "No" options. "No" is selected.
- Provide a brief description of partner's role or function: ***: Large text area.
- Buttons**: "Save" (blue), "Cancel" (grey), and "Delete..." (red).

Managing User Profile

You can manage your contact information, password, and Multi-Factor Authentication (MFA) settings through the My Profile page (Figure 11). This page is accessible via your email address in the [Navigation Bar \(page 13\)](#).

Figure 11. My Profile Page

The screenshot shows a web browser window with the title "My Profile". The page is divided into three main sections, each with a "Change" button on the right:

- Change your Password:** A section with a "Change Password" button.
- Multi-Factor Authentication:** A section with a "Change Authentication" button. It includes a "Type of authentication" section with radio buttons for "Text Message" (selected), "Voice Call", and "Google Authenticator App". Below this is a "Text Message Number" input field containing "(800) 560-1252".
- Your Contact Information:** A section with a "Change Contact Info" button. It contains several input fields for personal details:
 - First Name: "Hilary"
 - Last Name: "Mitchell"
 - Street 1: "123 Sesame St"
 - Street 2: (empty)
 - City: "Reston"
 - State: "Alabama"
 - Zip Code: "56476"
 - Phone Number: "888-640-9156"
 - Extension: (empty)
 - Pager: (empty)
 - Fax: (empty)

Changing a Password

You may change your password by selecting the “Change Password” button on the My Profile page. This will bring up the change password page. To change a password, you must provide your original password and your desired new password in the provided fields and click “Change Password.”

User passwords must contain at least fifteen characters and include at least one uppercase letter (A-Z), one lowercase letter (a-z), one digit (0-9), and one non-letter or digit character (e.g., !, @, #, \$, %, ^, &, etc.).

*You may not reuse previously used passwords.

*You may not change your password more than once every 24 hours for security reasons.

Changing MFA

The MFA telephone number and method can be changed by clicking on the “Change Authentication” button on the My Profile page. This will bring up the Change Multi-Factor Authentication page ([Figure 12](#)).

Depending on the authentication method chosen, you will do one of three things:

1. **If you selected the “text message” option**, you will input your telephone number and press “Save.” You will then receive a six-digit authentication code sent via text to enter into the code field and will then click “Save.”

Figure 12. Change MFA to Text Message

The screenshot shows a web browser window with the title "Change Multi-Factor Authentication". The page content includes a heading "Change Multi-Factor Authentication", a sub-heading "Type of multi-factor authentication call", and three radio button options: "Text Message" (selected), "Voice Call", and "Google Authenticator App". Below the options is a text prompt: "Please enter the number for your mobile device that will receive the authentication text message." This is followed by a text input field labeled "Text Message Number" containing the value "123-456-7890". At the bottom of the form are two buttons: "Save" and "Back to My Profile".

2. **If you selected the “voice call” option**, you will input your telephone number and press “Save.” You will then receive an automated voice call to your telephone. You will enter the spoken six-digit authentication code into the field and then click “Save.”
3. **If you selected the “Google Authenticator” option**, you will be prompted to open the Google Authenticator app on your smart telephone device (Figure 13). You may either scan the QR code on the screen using the google app or manually enter the provided code. Once you click “Save,” you will be prompted to enter the current six-digit authentication code the app displays for the [DSR Website](#) and click “Save.”

Figure 13. Change MFA to Google Authenticator App

Change Multi-Factor Authentication

Type of multi-factor authentication call

Text Message Voice Call Google Authenticator App

Please scan the QR Code with the Google Authenticator App, or you may enter the Manual Setup Code into the app.

You may download the Google Authenticator app using one of the links below on your mobile app.

Manual Setup Code
GE2TSMRQIQZTINRTIUyQ

*If the process is not completed by submitting a valid MFA code, the MFA setting will not be changed.

Changing Contact Information

Contact information can be changed by clicking on the “Change Contact Info” button on the My Profile page. This will bring up the Change Contact Info page ([Figure 14](#)).

Changes can be saved by clicking on the “Save” button or canceled by clicking the “Back to My Profile” button.

Figure 14. Change Contact Info in the My Profile Page

The screenshot shows a web browser window with the title "Change Contact Info". The form contains the following fields and controls:

- First Name ***: Text input field containing "Hillary".
- Last Name ***: Text input field containing "Mitchell".
- Street 1 ***: Text input field containing "123 Sesame St".
- Street 2**: Empty text input field.
- City ***: Text input field containing "Reston".
- State ***: Dropdown menu showing "Alabama".
- Zip Code ***: Text input field containing "56476".
- Phone Number ***: Text input field containing "888-640-9356".
- Extension**: Empty text input field.
- Pager**: Empty text input field.
- Fax**: Empty text input field.

At the bottom of the form, there are two buttons: a blue "Save" button and a grey "Back to My Profile" button.

Frequently Asked Questions

Why won't the section of my report that I just completed, save?

To successfully save, data must be entered in each tab of the section and the data must be error free. Ensure you've navigated through each tab and all errors are resolved. If you need assistance resolving errors in your report, contact [DSR Technical Assistance \(page 4\)](#).

How do I print my report?

The print option is available once the report is in submitted status. Navigate to your DRP or CBDPP Report via the navigation bar. Below the table of report sections, click the "Print" button.

How do I make a change to my report?

If your report has not been submitted, follow the [Dental Services Report Workflow \(page 15\)](#) steps to modify your report. If your report has been submitted, but a change is necessary within the reporting period you may request your report be unsubmitted. To unsubmit your report, access your CBDPP or DRP report via the [Navigation Bar \(page 13\)](#). Under the report sections, click the "Unsubmit" button. Each request is reviewed by Ryan White Data Support. If approved, you will receive an email when your report has been returned to "Working" status.

What do I do if I forget my password?

Use the Forgot Password link on the login page and enter your email address when prompted to receive a password reset email.

What is Multi-Factor Authentication?

Multi-Factor Authentication (MFA) provides multiple layers of security for accounts logging into the system. Typically, MFA consists of "something you know" (a username and password) and "something you have" (a personal telephone). When new users first log into the system, they will enter their username and password. Users are then required to enter a valid telephone number and select whether they would like to verify their entry through a randomized number code sent via text message, an automated voice call, or by using Google Authenticator.

The telephone number and authentication settings entered during a user's first entry to the system are stored for future authorizations. Every time a user attempts to log into the system, they will be required to enter a verification code. Verification codes are randomized upon each entry to the system, so users will receive a new verification code for each login attempt.

Are data on the DSR website secure?

In addition to the MFA, the system employs exhaustive security steps, in both software and hardware, to protect data. Only authorized users have access to the system. All communications between the user's browser and the system are encrypted with Secure Socket Layer (SSL). The site is configured to immediately switch to HTTPS, so all communications, without exception, between the user and the system are encrypted.

Can other users access my organization's data?

Only users associated with your organization may view the data for their organization affiliation.

Can I share my login information with others?

Login information should not be shared with any other individual. Each user should also employ a unique telephone number for MFA, and not share a telephone number with other users for purposes of MFA.

Glossary

Term	Definition
Eligible Applicant	A dental school, institution with a predoctoral or postdoctoral dental education program, or a dental hygiene education program that have provided oral health care for patients with HIV and been accredited by the Commission on Dental Accreditation.
Household Income	The sum of money received in the previous calendar year by all household members, ages 15 years and older, including household members not related to the householder, people living alone, and others in nonfamily households.
Patient with HIV	A person who has the human immunodeficiency virus; a person with documented confirmation of her/his positive serostatus (e.g., a positive HIV test result; a letter verifying that the person is receiving HIV-related care or services from a primary medical care provider, case manager, or AIDS service organization; a viral load test result; an AIDS Drug Assistance Program (ADAP) enrollment card); or a person who self-identifies as being HIV-positive. Patient with HIV pertains to people receiving direct healthcare services.
Period Covered by This Report	The period for which you are reporting data. If you are applying for DRP funding, this report should present data on services provided from July 1 through June 30 of the prior year. If you are submitting an annual CBDPP data report, this report should present data on services provided from January 1 through December 31 of the prior year.
Ryan White HIV/AIDS Program	The Ryan White HIV/AIDS Treatment Extension Act of 2009 — The federal legislation created to address the health care and service needs of people with HIV disease and their families in the United States and its territories.
Statewide Coordinated Statement of Need (SCSN)	A statement of significant HIV-related issues specific to each state, which is a result of coordination, integration, and effective links across the Ryan White HIV/AIDS Programs. The Ryan White HIV/AIDS Treatment Extension Act of 2009 requires recipients to conduct activities to enhance coordination across all Ryan White HIV/AIDS Programs, including collaborative development of an SCSN.
Unduplicated Number of Patients	Patients counted using a method by which a single individual is counted only once during the period covered by this report, regardless of how many clinic visits were made or procedures performed. For institutions that provided care at multiple sites, a patient is counted only once, even if he or she received services at more than one site.
Unreimbursed Oral Health Care Costs	The balance remaining after subtracting the total payment received from patients with HIV or Medicaid or other third-party payors, plus grants and all other sources of revenue to support oral health care for patients with HIV, from the total of actual costs incurred by the applicant institution in providing oral health care to those patients. If actual costs to provide services cannot be calculated, then the applicant institution's usual fees for those procedures (before any discount or sliding-fee schedule is applied) should be used as a surrogate for actual costs.
