Measurement and Transplantation Network (OPTN) collects this information in order to perform the following OPTN functions: to assess whether applicants meet membership in the OPTN; and to monitor compliance of member organizations with OPTN Obligations. An agency may not conduct or sponsor, and a person is prohibited from collecting information unless it displays a currently valid OMB control number. The OMB control number for this information collection is 0915-0157 and it is required to obtain or retain a benefit per 42 CFR §121.11(b)(2). All data collected will be subject to Privacy Act protection (Privacy Act). Data collected by the private non-profit OPTN also are well protected by a number of the Contractor's security features. The Contractor's security system meets as prescribed by OMB Circular A-130, Appendix III, Security of Federal Automated Information Systems, and the Departments Automated Information System. The public reporting burden for this collection of information is estimated to average 0.27 hours per response, including the time for reviewing existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 14N136B, Rockville, Maryland, 20857 or [paperwork@hrsa.gov](mailto:paperwork@hrsa.gov).
