PUBLIC BURDEN STATEMENT:

The private, non-profit Organ Procurement and Transplantation Network (OPTN) collects this information in order to perform the following OPTN functions: to monitor compliance of member organizations with OPTN Bylaw requirements for membership in the OPTN; and to monitor compliance of member organizations with OPTN Obligations. An agency may be required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this information collection is 09-0055. This information collection is required to obtain or retain a benefit per 42 CFR §121.11(b)(2). All data collected will be subject to FOIA (5 U.S.C. 552). Data collected by the private non-profit OPTN also are well protected by a number of the Contractor's security features. The public reporting burden for this collection of information is estimated to average 0.27 hours per response, including reviewing the collection of information, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden, to HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 14N136B, Rockville, Maryland, 20857.

Procurement and Transplantation Network (OPTN) collects this information in order to perform the following OPTN functions: to assess whether applicants are eligible for membership in the OPTN; and to monitor compliance of member organizations with OPTN Obligations. An agency may not conduct or sponsor, and you may not disseminate, this information unless it displays a currently valid OMB control number. The OMB control number for this information collection is 0915-0157. This information collection is required to obtain or retain a benefit per 42 CFR §121.11(b)(2). All data collected will be subject to Privacy Act protection (Privacy Act of 1974, 5 U.S.C. 552a). Data collected by the private non-profit OPTN also are well protected by a number of the Contractor's security features. The Contractor's security system meets or exceeds the requirements as prescribed by OMB Circular A-130, Appendix III, Security of Federal Automated Information Systems, and the Department's Automated Information System Security Program. The public reporting burden for this collection of information is estimated to average 0.27 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, reviewing and collecting the data, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 14N136B, Rockville, Maryland, 20857 or paperwork@hrsa.gov.
