Invitation
Information

Please identify a health center leader that HRSA/JSI can say has invited you to participate in this survey. Your staff will be much more likely to respond to the survey if our invitation includes the name, title, and email address of someone from the health center that everyone is familiar with and trusts.
(Providing this information is optional but highly encouraged)

2. What is the name (First Last) of the health center leader that should be noted as making this invitation?

3. What is the title of the health center leader that should be noted as making this invitation?

4. What is the email address of the health center leader that should be noted as making this invitation?

Invitation
Email
Addresses

Please provide the email addresses of all staff. Each listed email will receive and email invitation with a unique link where they can complete the survey. Staff email addresses will not be associated with their responses and confidentiality will be assured.

If you have any questions about this process, or experience any difficulties, please contact the survey support line at (number)

5. For health centers with less than 500 staff: Email addresses can be copied from your email system and pasted here as a block of text separated by commas, semicolons, or spaces, etc. Please assure that email addresses are unique and that all are health center staff. Larger organizations, or those wishing to upload an email list file instead, please use the option below.

6. If you prefer to upload a spreadsheet or text file containing all staff email addresses, please use this option. Files must be either a spreadsheet with one email per row, or a text file with addresses separated by commas, semicolons, tabs, or spaces. Please do not upload a file if you pasted emails in the option above.
