

Thank you for your previous contributions to the Study to Explore Early Development (SEED)! We hope you will take part in a new series of SEED studies to learn how different types of children grow older.

You are under no obligation to take part in these studies. Your participation helps us learn more about how we can support children with autism and other developmental disabilities and their families.

STEP 1: Check one of the boxes below.

- YES, please contact me. I would like to learn more about the SEED Follow Up Studies.**
- NO, I am not interested in learning more about the SEED Follow Up Studies.**
