Screener

Hello, my name is **[INSERT NAME]** from **[INSERT FACILITY NAME]**, a market research firm. We are recruiting for an upcoming study that will collect feedback about a public education campaign brand. This is not a sales call of any kind. I am only calling to see if you or an eligible member of your household has an interest in participating in a 90-minute focus group that will be conducted virtually for which you would receive a \$100 incentive. I have a few questions I need to ask to see if you are qualified for this study. You don't have to answer any question that you don't want to answer.

1. Are you interested in seeing if you or anyone in your household qualifies to participate in this focus group? [ACCEPT ONLY ONE PER HOUSEHOLD]
