

As part of the COVID-19 Public Education Campaign market research efforts, the Current Events Tracker (CET) is a flexible survey vehicle designed for easy addition or removal of questions as applicable to the current environment. This wave re-fields questions on parents' perceptions and concerns, COVID diagnosis, and COVID treatment. New or modified questions include those on updated vaccine understanding, updated vaccine uptake intentions, updated vaccine knowledge, Test to Treat, variant concerns, pandemic assessment, and COVID-19 Community Levels tool.
