It is understood that this identification of a ROW pipeline operator does not relieve the grant holder of responsibility for compliance with the terms of the ROW grant and all applicable laws and regulations. It is also understood that this identification of the ROW pipeline operator itself does not constitute an assignment of any interest in the ROW grant.

In case of default on the part of the identified ROW pipeline operator, all ROW grant holders will make full and prompt compliance with all laws, regulations or orders of the Secretary of the Interior or his/her representative. If BSEE determines the ROW pipeline operator's performance being conducted on the pipeline ROW described above is unacceptable, BSEE may disqualify the ROW pipeline operator, or may disapprove or revoke its identification of ROW pipeline operator. The ROW pipeline operator will be given adequate notice and opportunity for a review by BSEE Regional officials before initiating or imposing a disqualification. The BSEE Regional Director may require the pipeline ROW grant holders to identify/name an operator empowered to fulfill the pipeline ROW grant holder's obligations under the OCS Lands Act or governing regulations.

The ROW pipeline operator does not have the authority to relinquish or modify the pipeline ROW grant described above unless all pipeline ROW grant holder's join in the execution of a relinquishment or modification application with the ROW pipeline operator.
