AMERICA THE BEAUTIFUL – THE NATIONAL PARKS AND FEDERAL RECREATIONAL LANDS SENIOR PASS

U.S. Department of the Interior - Bureau of Land Management, Fish and Wildlife Service, Bureau of Reclamation, National Park Service
U.S. Department of Agriculture - Forest Service - U.S. Army Corps of Engineers

About the Senior Pass:

There are two Senior Passes available to United States citizens or permanent residents 62 years of age : the Lifetime Senior pass or the Annual Senior pass. The Passes can be used at federal recreation sites across the nation, including National Parks, National Wildlife Refuges, and many National Forest and other federal recreation lands. Both Senior Pass types admit the Pass owner and any passengers traveling with him/her in a single non-commercial vehicle at per-vehicle fee areas or the Pass owner and three additional adults where per-person fees are charged. Either Senior Pass may also offer a discount on some expanded amenity fees, such as camping. Discounts offered by the Pass vary widely across the many different types of recreation sites. Before purchasing a pass you should check with recreation sites that you plan to visit to verify that the Pass will be accepted. Anytime a Pass is used, photo identification will be requested to verify Pass ownership.

How to Obtain an Annual or Lifetime Senior Pass:

The Pass may be obtained in one of three ways, either at a federal recreation site (URL for list of sites: <https://www.nps.gov/planyourvisit/pickup-pass-locations.htm>) where entrance or standard amenity fees are charged, online or through the mail. To obtain a Pass you must have photo identification to verify that you are a U.S. citizen or permanent resident 62 years of age or older, which could include:

- A U.S. State or Territory issued Driver's License, Identification or Birth Certificate
- A U.S. Passport or Passport Card
- A Permanent Resident Card (Green Card)

Obtaining a Pass Through the Mail

To obtain a Senior-Lifetime or Senior-Annual Pass through the mail you must complete this application, provide a photocopy of proof of age and citizenship or residency and pay the processing fee. In addition to the \$80 cost of a Senior-Lifetime Pass or \$20 Senior-Annual Pass, a \$5 processing fee plus actual shipping costs will be charged.

Obtaining a Pass Online

To obtain your pass online you will be required to complete an online order form and upload an electronic version of your photo identification. In addition to the \$80 cost of a Senior-Lifetime Pass or \$20 Senior-Annual Pass, a \$5 processing fee plus actual shipping costs will be charged. Go to <https://store.usgs.gov> for more information and to place your order.

Obtaining a Pass in Person

If you apply for a Senior Pass at a federal recreation site you do NOT need to fill out this application. When you arrive at the recreation site, the officer selling the pass will verify your age and that you are a U.S. citizen or permanent resident by checking your identification. You will then be issued the Pass. The Pass is eighty dollars (\$80) for the lifetime pass and twenty dollars (\$20) for the annual pass if obtained in person, there is no processing fee. Before making a trip to obtain a Pass, be sure to contact the site to ensure that they have passes available.

Replacement Passes:

Misplaced, lost or stolen Passes cannot be replaced at this time. If your Pass has been misplaced, lost or stolen you must purchase a new one. Worn or damaged Passes can be replaced free of charge at any recreation site where Passes are issued, or through the mail by returning the Pass with this application and paying the five dollar (\$5) processing fee plus actual shipping costs.
