I-907, Request for Premium Processing Service

Use Form I-907 to request Premium Processing Service on certain petitions or applications where this service is available.

Premium Processing Service guarantees that USCIS will take one of several possible actions (issue an approval notice, a denial notice, a notice of intent to deny, or a request for evidence) on the petition or application within a certain processing timeframe. The length of the processing timeframe is based on the classification or category requested.

[Learn more about requesting Premium Processing Service.](#)

- Filing (or you have filed) Form I-765, Application for Employment Authorization; and
- Are applying as eligibility category (c)(3)(A), (c)(3)(B), or (c)(3)(C).

**Note:** You cannot add Premium Processing Service unless you have a receipt number from submitting another form that is eligible for premium processing. If you do not know your receipt number, you can find it by viewing the case on your home page.

All other requests for Premium Processing Service must be filed using a [paper Form I-907](#).

# I-907: Request for Premium Processing Service

Use Form I-907 to request Premium Processing Service on certain petitions or applications where this service is available.

You may file your request for Premium Processing Service with the applicable petition or application. You may also file the request for Premium Processing Service after you file the applicable petition or application, as long as USCIS has not made a final decision on the applicable petition or application. You cannot request Premium Processing Service for a petition or application that is reopened after an initial decision was made on the petition or application.

Premium Processing Service guarantees that USCIS will take one of several possible actions (issue an approval notice, a denial notice, a notice of intent to deny, or a request for evidence) on the petition or application within a certain processing timeframe. The length of the processing timeframe is based on the classification or category requested.

Processing times and fees vary. [Learn more about requesting Premium Processing Service.](#)

## ✓ Before You Start Your Application

### 📄 Eligibility

Online requests for Premium Processing Service are only available if you are:

- Filing (or you have filed) Form I-765, Application for Employment Authorization; and
- Are applying as eligibility category (c)(3)(A), (c)(3)(B), or (c)(3)(C).

All other requests for Premium Processing Service must be filed using a [paper Form I-907](#).

You, or your attorney or accredited representative, may request Premium Processing Service only if you filed the corresponding petition or application. Any attorney or accredited representative who makes the request must also file a properly completed Form G-28, Notice of Entry of Appearance as Attorney or Accredited Representative.

### 💰 Fee

We will automatically calculate the cost for you before you submit your request. [Find more information about the specific fees applicable to your forms.](#)

The Premium Processing Service fee is in addition to all other applicable filing fees.

**Note:** We will only refund the Premium Processing Service fee if we do not take action on the related case within the applicable processing timeframe. Otherwise, the filing fee is not refundable, regardless of any action USCIS takes on the related case.

Please refer to the instructions for the form(s) you are filing for additional information or you may call the USCIS Contact Center at 800-375-5283. For TTY (deaf or hard of hearing) 800-767-1833.

### 📄 Documents you may need

We will automatically determine which documents you should provide us as you fill out your application. At the time of filing, you must submit all evidence and supporting documentation listed.

## ➔ After You Submit Your Application

### 🕒 Track your case online

After you submit your form, you can track its status through your USCIS account. Sign in to your account often to check your case status and read any important messages from USCIS.

### ↩️ Respond to requests for information

If we need more information from you, we will send you a Request for Evidence (RFE) or Request for Information (RFI). You can respond to our request and upload your documents through your USCIS account.

In the event USCIS issues a notice of intent to deny or a Request for Evidence, the premium processing timeframe will stop and will re-commence with a new applicable timeframe on the date that we receive a response to the notice of intent to deny or the Request for Evidence.
