OMB# 1850-0928 v.30

June 2023

Appendix J1 provides the student survey questionnaires that will be administered in 2024. Grades 4 and 8 Core, Math, and Reading questionnaires were previously approved in 2022 (OMB# 1850-0928 v.28), and any changes to the items from the 2022 administration are reflected in summary tables. Additionally, grade 8 Science and grade 12 Core, Math, and Reading were previously approved in 2019 (OMB# 1850-0928 v.15), and any changes to the items from the 2019 administration are reflected in summary tables. New COVID-19 Learning Recovery and NIES SQs, are available in this document. Any changes to the NIES SQs since the 2019 administration are reflected in summary tables. Please note, some of the numbers of the items may be missing or out of order in these printed versions. This will be corrected in the platform view.

NAEP Student Parent/Guardian Item Set for Grade 8

The parent/guardian item set is a dynamic set of contextual questionnaire items designed to allow grade 8 students with a variety of parent/guardian types to report a) who their parents/guardians are, b) the educational attainment of those adults, and c) the employment status of those adults. The item set allows for a more inclusive approach to collecting this information, which is relevant to the measurement of student socioeconomic status (SES). These items are intended for use at grade 8 only as some grade 4 students have difficulty providing this information. In the pilot administration of the parent/guardian items, these items will be included within the core contextual questionnaire and will be preceded and followed by other questionnaire items.

The following questions are about your parents or guardians.

A “parent or guardian” is someone who raises and takes care of and provides financial resources to support you.

If you have more than two parents or guardians, answer the questions for two parents or guardians you spend the most time with.

Use the drop-down menus to show your answers.

NAEP Student Parent/Guardian Item Set for Grade 8

The parent/guardian item set is a dynamic set of contextual questionnaire items designed to allow grade 8 students with a variety of parent/guardian types to report a) who their parents/guardians are, b) the educational attainment of those adults, and c) the employment status of those adults. The item set allows for a more inclusive approach to collecting this information, which is relevant to the measurement of student socioeconomic status (SES). These items are intended for use at grade 8 only as some grade 4 students have difficulty providing this information. In the pilot administration of the parent/guardian items, these items will be included within the core contextual questionnaire and will be preceded and followed by other questionnaire items.

The following questions are about your parents or guardians.

A “parent or guardian” is someone who raises and takes care of and provides financial resources to support you.

If you have more than two parents or guardians, answer the questions for two parents or guardians you spend the most time with.
