

Integrated Airman Certification and Rating Application (IACRA)

FAA User Guide

(March 2021)

FAA IACRA User Guide Contents:

Section 1: Inspection Authorization Renewal in IACRA

Section 2: Registering for an IACRA account

Section 3: IACRA Home Page Overview

Section 4: Review and Approval of an Inspection Authorization renewal package in IACRA

Section 5: IACRA Training site

Introduction:

One of the options for the upcoming Inspection Authorization (IA) renewals in March 2021, is the functionality within Integrated Airman Certification and Rating Application (IACRA). This system will allow IAs to submit electronically their entire renewal package to the FAA and the FAA will have the ability to renew the Inspection Authorization remotely. The system will also generate, autofill, and email a renewal letter back to the IA instead of endorsing FAA Form 8310-5.

Currently, this functionality is only authorized for IA renewals, but future expansion is expected.

Section 1: Inspection Authorization Renewal in IACRA

IACRA is an FAA web site that allows individuals to apply for new Airman Certificates, renew, or upgrade their existing certificates. The entire application process takes place on the website, including electronic signing of applications, and at the end of the process all the necessary documents will be sent electronically to the Airman Registry.

<https://iacra.faa.gov/IACRA/Default.aspx>

This is the IACRA Home page:

COMING SOON

INSPECTION AUTHORIZATION RENEWAL in IACRA – The 10.4.1 IACRA release will allow applicants to apply for their Inspection Authorization renewal. This application path will be available to current IA holders as an alternative to mailing in a paper copy.

IACRA

Integrated Airman Certification and Rating Application (IACRA)

IACRA is the web-based certification/rating application that guides the user through the FAA's airman application process. IACRA helps ensure applicants meet regulatory and policy requirements through the use of extensive data validation. It also uses electronic signatures to protect the information's integrity, eliminates paper forms, and prints temporary certificates.

On the right portion of the site is where the IACRA login section is located:

The screenshot shows the FAA IACRA website. The top left features the FAA logo and the text "Federal Aviation Administration". A navigation menu on the left includes links for Home, What's new in IACRA, Frequently Asked Questions, Aircraft Search, Site Feedback, Contact Us, Training and Documentation, Helpful FAA Links, Available Certifications and Ratings, and Current Registry Processing Dates. The main content area has a yellow "COMING SOON" banner with a warning icon and text: "INSPECTION AUTHORIZATION RENEWAL in IACRA – The 10.4.1 IACRA release will allow applicants to apply for their Inspection Authorization renewal. This application path will be available to current IA holders as an alternative to mailing in a paper copy." Below this is a large "IACRA" heading with images of an airplane and a propeller plane, and the subtitle "Integrated Airman Certification and Rating Application (IACRA)". A paragraph describes IACRA as a web-based certification/rating application. Below are two green boxes: "New to IACRA? Please read the [New User Guide](#)." and "Trouble Viewing Documents? Please make sure your browser [allows popups](#) in IACRA." On the right, a login section is highlighted with a red box, containing fields for "Username:" and "Password:", a "Forgot Username or Password?" link, "Login" and "Register" buttons, and "FAA Employee Login" and "Help" links. Below the login section is a "Need Help?" section with links to the IACRA Instruction Manual (8.7) and (7.6), and Training and Documentation pages.

Individuals with an existing IACRA account (Username and password) may enter that information in the applicable fields and select “**Login**”. They may also utilize their **PIV** card and select “FAA Employee Login”.

Section 2: Registering for an IACRA account

Individuals who do not have an IACRA account, must register prior to utilizing IACRA. To register, begin by selecting the “**Register**” link.

This is a close-up of the login/register form. It includes a "Username:" label and an input field, a "Password:" label and an input field, and a blue link "Forgot Username or Password?". Below these are two buttons: "Login" and "Register". The "Register" button is highlighted with a red box. At the bottom, there are links for "FAA Employee Login" and "Help".

Registering as an FAA Certifying Officer in IACRA

There are many different roles in IACRA, but for FAA employees who will be the certifying officers for Inspection Authorization renewals, from the “Select Roles” page these individuals must select the appropriate box under “Certifying Officers”, either “Aviation Safety Inspector” or “Aviation Safety Technician”.

Integrated Airman Certification and Rating Application (IACRA)

Welcome to the IACRA Training Site

Your current username and password cannot be used for Login to the training site. The purpose of this site is to provide you with a place to practice using IACRA.

Please note: This is NOT the production IACRA web site. This site is intended for training purposes ONLY. Applications submitted on this site are NOT submitted to the Registry. For completing actual certifications, please visit <http://iacra.faa.gov/iaacra/> for the production site.

What's new in IACRA

IACRA Version 8.15

This release contains the following changes:

Registration / Application

- Users may now apply for ATP certificates with Restricted Privileges (61.160). The applicant can apply for this certificate under Part 61.142, 121 and 135 based on specific criteria to include qualifying hours, former or current Military, or credits from a Degree program.
- Several statuses have been renamed to be more descriptive. For instance, "Submitted" has been renamed "Partially Complete – Ready for Next Action" to indicate the application isn't complete.
- Applicants will now have the ability to delete applications that have the status of "Partially Complete – Ready for Next Action." A delete option has been added as an Available Action on the applicant's console.

The users IACRA Home page is displayed. There are several sections on this page that have specific functions.

The first section is in the upper left portion of the screen. This section contains the “User’s Information”.

The screenshot shows the IACRA - Certifying Officer Console interface. The top left corner features the Federal Aviation Administration logo and the text "Federal Aviation Administration". Below this, a red box highlights the "User Information" section, which includes the following details:

- FTN: AS211721
- User: s9ingh03
- Role: Aviation Safety Inspector
- ASI/AST Options

The main content area is titled "IACRA - Certifying Officer Console" and is divided into several sections:

- Retrieve & Process Applications:** Includes a "Retrieve" button and instructions: "(Enter the Applicant's FTN to work, view, or print the related documents such as; application form, temporary certificate or knowledge tests.)"
- Designee Oversight - Completed IACRA Applications by FSDO:** Includes a search criteria form with fields for "Your FSDO is:", "Reporting FSDO:" (dropdown), "Date Range:" (From/To), "Certifying Officer Type:" (dropdown), "Certifying Officer:" (dropdown), "Application ID:", "Applicant Name:", and "Certificate Type:" (dropdown). A "Continue" button is at the bottom.
- Inspection Authorizations:** Includes a dropdown for "FSDO:" and a message: "There are no applications available for processing at this FSDO."
- Your IACRA Statistics:** Shows "Applications Processed" for the last 90, 30, and 7 days, all with a count of 0.
- Your Activity History:** Includes a "Date Range" selector and a "View History" button.
- Airman Information:** Includes a table for "Airman Certificate":

Certificate Number	Certificate Type	Issued	Expires
801275340		01/09/2021	06/06/2079

Further down the left side of the screen are “ASI/AST Options”.

The screenshot shows the same IACRA - Certifying Officer Console interface as above. The top left corner features the Federal Aviation Administration logo and the text "Federal Aviation Administration". Below this, a red box highlights the "ASI/AST Options" section, which includes the following details:

- Console
- Designee Oversight
- PTRS Viewer
- User Profile
- Authorize School Admin / ACPI
- Add Role
- Edit Preferences
- Change Password

The main content area is titled "IACRA - Certifying Officer Console" and is divided into several sections:

- Retrieve & Process Applications:** Includes a "Retrieve" button and instructions: "(Enter the Applicant's FTN to work, view, or print the related documents such as; application form, temporary certificate or knowledge tests.)"
- Designee Oversight - Completed IACRA Applications by FSDO:** Includes a search criteria form with fields for "Your FSDO is:", "Reporting FSDO:" (dropdown), "Date Range:" (From/To), "Certifying Officer Type:" (dropdown), "Certifying Officer:" (dropdown), "Application ID:", "Applicant Name:", and "Certificate Type:" (dropdown). A "Continue" button is at the bottom.

- Airman Information:** Includes a table for "Airman Certificate":

Certificate Number	Certificate Type	Issued	Expires
801275340		01/09/2021	06/06/2079

In the lower left portion of the page is the “Information and Help” section. From the “Training and Documentation” link, users can access the IACRA Training site (see Section 4 of this guide)

The screenshot shows the IACRA - Certifying Officer Console interface. The left sidebar contains the "Information & Help" section, which is highlighted with a red box. This section includes links for Home, What's new in IACRA, Frequently Asked Questions, Aircraft Search, Site Feedback, Contact Us, Training and Documentation, Helpful FAA Links, Available Certifications and Ratings, and Current Registry Processing Dates. The main content area is titled "IACRA - Certifying Officer Console" and includes sections for "Retrieve & Process Applications", "Designee Oversight - Completed IACRA Applications by FSDO", "Inspection Authorizations", "Your IACRA Statistics", "Your Activity History", and "Airman Information".

The next section is the Retrieve and Process Applications. The user can enter in an airman/applicant’s FTN and retrieve applicable applications.

This screenshot shows the same IACRA - Certifying Officer Console interface, but with the "Retrieve & Process Applications" section highlighted in red. This section contains a form for entering an FTN (Federal Tracking Number) and a "Retrieve" button. Below the form, there is a note: "(Enter the Applicant's FTN to work, view, or print the related documents such as, application form, temporary certificate or knowledge tests.)". The rest of the interface, including the sidebar and other main sections, remains the same as in the previous screenshot.

The “Inspection Authorization” section is next. The FSDO/IFO/CMO will default to the User’s assigned office (per their profile). The dropdown list allows for the user to select other FAA offices. The field below the office identifier will display all of the Inspection Authorization application packages awaiting review for that given office. There may be multiple pages of applications.

The screenshot shows the IACRA - Certifying Officer Console interface. The left sidebar contains navigation options like 'User Information', 'AS/AST Options', and 'Information & Help'. The main content area is titled 'IACRA - Certifying Officer Console' and includes sections for 'Retrieve & Process Applications', 'Designee Oversight - Completed IACRA Applications by FSDO', 'Your IACRA Statistics', and 'Airman Information'. The 'Inspection Authorizations' section is highlighted with a red box and displays the message: 'There are no applications available for processing at this FSDO.' Below this, the 'Your IACRA Statistics' section shows 'Applications Processed' counts for various time periods (last 90, 30, and 7 days), all of which are zero. The 'Airman Information' section contains a table with one entry for certificate number 801275340, issued on 01/09/2021 and expiring on 06/06/2079.

The next section is the “Your IACRA Statistics” section. This section will display the number of applications the user has processed within a given time period.

This screenshot is similar to the one above, showing the IACRA - Certifying Officer Console. In this view, the 'Your IACRA Statistics' section is highlighted with a red box. It displays the following statistics: 'Applications Processed' with sub-headers for '~ last 90 Days: 0', '~ last 30 Days: 0', and '~ last 7 Days: 0'. The rest of the interface, including the 'Inspection Authorizations' section and the 'Airman Information' table, remains the same as in the previous screenshot.

The next section is a comprehensive search function with several dropdown fields to focus the search criteria.

[Return to Console](#)

And the final section is Airman Information. This will display any associated certificates linked to the User's account profile.

The screenshot displays the IACRA - Certifying Officer Console interface. At the top, it identifies the user as 'ssingh003' with the role of 'Inspector'. The main content area is divided into several functional sections:

- Retrieve & Process Applications:** Includes a field for FTN and a 'Retrieve' button. A note instructs users to enter the applicant's FTN to work, view, or print related documents.
- Enter Your Search Criteria:** A search form with fields for 'Your FSDO' (set to 'FS00 - WASHINGTON NAT. HQ.'), 'Reporting FSDO' (set to 'FS00 - WASHINGTON NAT. HQ.'), 'Date Range' (02/09/2020 to 02/09/2021), 'Certifying Officer Type' (All Types), 'Certifying Officer', 'Application ID', 'Applicant Name', and 'Certificate Type' (All Types). A 'Continue' button is provided.
- Inspection Authorizations:** Shows the selected FSDO as 'FS00 - WASHINGTON NAT. HQ.' with a message: 'There are no applications available for processing at this FSDO.'
- Your IACRA Statistics:** Displays 'Applications Processed' for three time periods: last 90 Days (0), last 30 Days (0), and last 7 Days (0).
- Your Activity History:** Includes a 'Date Range' selector and a 'View History' button.
- Airman Information:** A section highlighted with a red border, containing a table of certificates.

The 'Airman Information' section contains the following table:

Certificate Number	Certificate Type	Issued	Expires
801275340		01/09/2021	06/06/2079

Section 4: Review and Approval of an Inspection Authorization renewal package in IACRA

To begin the Inspection Authorization renewal package review and approval process, the certifying officer (Aviation Safety Inspector or Aviation Safety Technician) will log into their IACRA account and access their Certifying Officer Console.

The screenshot shows the IACRA - Certifying Officer Console. The left sidebar contains navigation options, with 'ASIAST Options' highlighted. The main content area is divided into several sections: 'Retrieve & Process Applications', 'Designee Oversight - Completed IACRA Applications by FSDO', 'Inspection Authorizations', 'Your IACRA Statistics', 'Your Activity History', and 'Airman Information'. The 'Inspection Authorizations' section is highlighted with a red box and contains a table with the following data:

Application	Applicant
210008	HERMAN, JONATHAN

From this page, the Certifying Officer will go to the “Inspection Authorization” section and verify their assigned FAA office (FSDO/IFO/COM) is displayed in the dropdown field. Below that field are the applications awaiting review and approval.

This screenshot is identical to the one above, showing the IACRA - Certifying Officer Console. The 'Inspection Authorizations' section is highlighted with a red box, showing the same table of applications as in the previous image.

The Certifying Officer selects an application to review by clicking on the blue underlined application number.

This is the IACRA Training Site... The production IACRA site is iacra.faa.gov

The “Uploaded Documents” screen displays the documents available for viewing. The Certifying Officers selects a document from the list in the “Uploaded Document” field and selects the “View” button.

1) Click 'Browse' then locate and select scanned/photographed document. Click 'Open.'
2) Click 'Upload/Save.' Document will be uploaded, converted to black & white, then displayed for verification.
3) If text quality is acceptable, repeat steps 1 & 2 to upload additional documents as needed.
4) If text quality is **unacceptable**, click on the document in the Uploaded Documents list, then click 'Remove'. Try photographing/scanning the document again. Refer to the [help](#) for some quality tips.

Some examples of uploaded documents include Foreign Verification Letters (include all attachments) and ATP Graduation Certificates. IACRA only accepts image files (.jpg, .tif, .png).
All documents, regardless of the number of pages, must be separated into individual pages for uploading. For example, a three page foreign verification letter will require three separate uploads, one for each page.

Browse... Upload/Save

 U.S. Department of Transportation
Federal Aviation Administration

Aviation Safety 800 Independence Ave
Washington, DC 20591

February 09, 2021

ERNEST NMN HARDIN
311 STRAWBERRY FLD.
NORMAN OK 73072

Dear ERNEST NMN HARDIN

This letter is to inform you the FAA has renewed your Inspection Authorization (IA) for a two-year period to March 31, 2023, per 14 CFR 65.93. This letter serves as an alternative to the endorsement (FAA Inspector signature and date) normally placed on the back of your FAA Form 8310-5 (IA Card).

To remain in effect you must show evidence of completion of one of the activities prescribed in section 65.93(a) (1) through (5) by March 31 of the first year, AND completion of one of the five activities during the second year of the two year period as prescribed in section 65.93.

You are required to keep this letter with your FAA Form 8310-5 while exercising the privileges and limitations of an Inspection Authorization as prescribed in 14 CFR 65.95. Additionally, your FAA Form 8310-5 and this letter must be available for inspection as required by 14 CFR 65.95.

You will be required to present this letter and your FAA Form 8310-5 at your next renewal in March 2023.

If you have any questions, contact JASON NMN CONRAD at the FS00 Flight Standards District Office or Flight Standards International Field Office. Contact information for Flight Standards District Offices may be found by visiting https://www.faa.gov/about/office_org/field_offices/fsdo/.

Sincerely,

JASON NMN CONRAD
Aviation Safety Inspector / Aviation Safety Technician

The user is returned to the Review Checklist. The next step is specific to the Certifying Officer's specialty or classification. This information is used to generate the PTRS record for the renewal activity which is later sent directly to SAS. If an ASI/AST only has a single specialty, the system will default to that specialty and it is not editable. If the ASI/AST has multiple specialties, then the Certifying Officer will select the appropriate one.

Section 5: IACRA Training site

IACRA Training site.

The training site provides the user with all the needed information, including "fictitious" logins, to practice completing most types of applications. Training users can create applications, as well as perform the duties of recommending instructors and certifying officers. Applicants can utilize the steps outlined in the earlier sections of this User Guide to help familiarize themselves with the IACRA functionality.

To access the IACRA Training site from the Home page, select "Training and Documentation".

The screenshot shows the Federal Aviation Administration website. The navigation menu on the left has "Training and Documentation" highlighted with a red circle. The main content area features a "COMING SOON" banner for "INSPECTION AUTHORIZATION RENEWAL in IACRA". Below this is a large banner for "IACRA Integrated Airman Certification and Rating Application (IACRA)". To the right, there is a login section with fields for "Username:" and "Password:", a "Forgot Username or Password?" link, and "Login" or "Register" buttons. Below the login section is a "Need Help?" section with links to the "IACRA Instruction Manual (8.7)" and "IACRA Instruction Manual (7.6)".

Select the "IACRA Training site" link.

The screenshot shows the Federal Aviation Administration website with the "Training and Documentation" page selected. The navigation menu on the left has "Training and Documentation" highlighted with a red circle. The main content area is titled "Training and Documentation" and contains a "Training" section with the text: "The training site provides the user with all the needed information, including 'fictitious' logins, to practice completing most types of applications. Training users can create applications, as well as perform the duties of recommending instructors and certifying officers." Below this text is a link "Launch the IACRA Training Site." which is also highlighted with a red circle. There is also a "Documentation" section with text about manuals and links to "IACRA Instruction Manual (8.7)" and "IACRA Instruction Manual (7.6)".

If you are new to the training site, you'll need "training" user names and passwords. Select the "Generate Logins" link under "First Time". If you are returning user and already have training site usernames and passwords, you can select "Begin Training" under "Been Here Before?"

Federal Aviation Administration

Welcome to the IACRA Training Site

New to IACRA? The IACRA Training Site gives you the opportunity to perform hands-on training. Choose an option below to get started.

First Time?

IACRA requires registration before it can be used. To make this process easier for training, we generate login information and provide it to you.

Please bear in mind that this data is fictitious, and the training site **cannot** be used to process real applications.

Generate Logins

Been Here Before?

If you are a returning user, there's no need to generate new training data (although you can if you would like).

Begin Training

Still have questions? [Contact us](#)

IACRA will require the type of training you are searching for within the site. Select the dropdown arrow.

Federal Aviation Administration

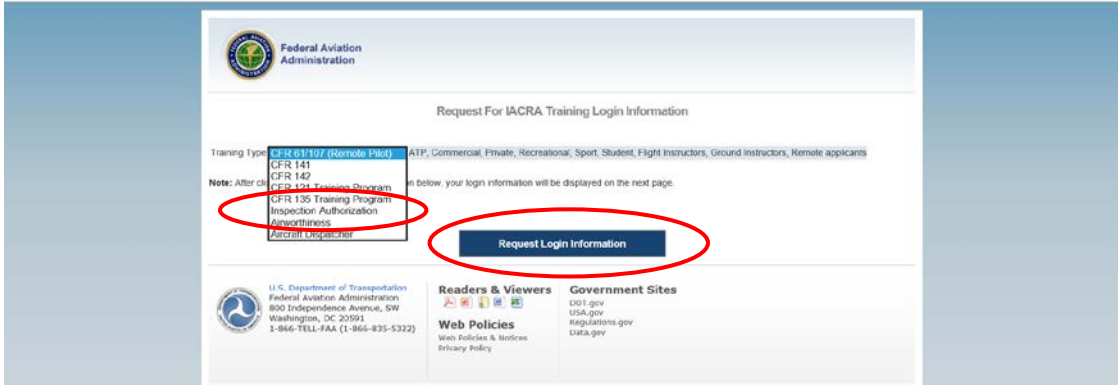

Request For IACRA Training Login Information

Training Type: **CFR 61/107 (Remote Pilot)** ATP, Commercial, Private, Recreational, Sport, Student, Flight Instructors, Ground Instructors, Remote applicants

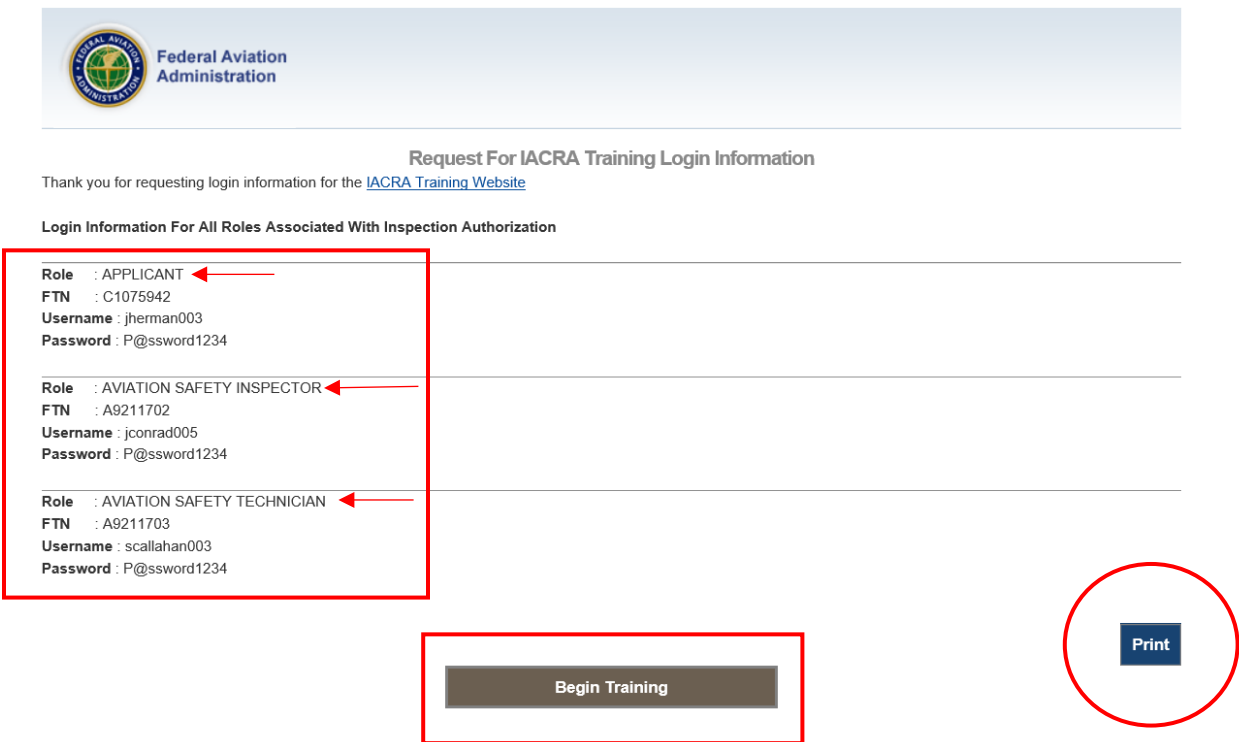

Note: After clicking the Request Information button below, your login information will be displayed on the next page.

Request Login Information

From the dropdown list, select “Inspection Authorization”. Then, select “Request Login Information” to generate the training usernames and passwords.

The system will generate usernames and passwords for the applicant and the approving officials (both Aviation Safety Inspector and Aviation Safety Technician). Some individuals may want to print this page out for ease of use during the training. If so, select the “Print” button in the lower right portion of the page.

Again, IACRA users can follow the steps outlined in the earlier sections of this User Guide to help familiarize themselves with the IACRA functionality.
