Privacy Act Statement: The Department of Housing and Urban Development (HUD) is authorized to collect this information by the U.S. Housing Act of 1937, as amended, and the Social Security Numbers (SSN) by the Housing and Community Development Act of 1987, 42 U.S.C. 3543. The information concerning management documents for Multifamily Housing projects is being collected by HUD to: (1) determine the acceptability of proposed management agents, (2) ensure compliance with program requirements, (3) provide leverage for removing poor managers, and (4) recover excessive management fees. The information is being used as a management tool to avoid the misuse of HUD subsides and defaults against the FHA insurance fund by management agents. Specifically, the information will provide for improved project management by ensuring: that subsidy funds are administered in accordance with HUD rules, project expenses are reasonable, maintenance of documented records, and use of project funds only in accordance with HUD requirements. The SSN is used as a unique identifier. HUD may disclose this information to Federal, State and local agencies when relevant to civil, criminal, or regulatory investigations and prosecutions. It will not be otherwise disclosed or released outside of HUD, exceptas permitted or required by law. Failure to provide the information could result in HUD's denial of proposed management or fees or cancellation of management contracts for noncompliance with HUD procedures. Providing the SSN is mandatory, and failure to provide it could affect your participation in HUD programs.
