Other change: \*\*

We are making a change request to the existing ROSS PRA (2577-0229) to add one check box for a new Area of Need in Section II of the form. This section of the form tells HUD which areas the applicants will focus their grant program on. We still anticipate 350 respondents for each of the ROSS forms including the HUD-52768 (ROSS application form).

This check box will have no significant impact on the information collection burden.
