## 2023 Fruit Chemical Use Survey **Chemical Applications Consent Form**

U.S Department of Agriculture Rm. 5030, South Building 1400 Independence Avenue, S.W. Washington, D.C. 20250-2000 1-800-727-9540 Fax: 202-690-2090

Email: nass@nass.usda.gov

VERSION 01	POID	SUBTRACT

The National Agricultural Statistics Service (NASS) of the U.S. Department of Agriculture is conducting a survey for Fruit Chemical Usage for the 2023 crop year. The survey will be conducted from October, 2023 through January, 2024.

By signing this Consent Form, the Owner agrees to allow the fruit crop caretaking company listed below to provide the necessary information for the completion of the Fruit Chemical Use Survey for the selected operation to the National Agricultural Statistics Service. Authority for collection of information on the Fruit Chemical Use Survey is Title 7, Section 2204 of the U.S. Code. Under Title 7 of the U.S. Code and CIPSEA (Public Law 115-435), facts about your operation are kept confidential and used only for statistical purposes. Response is voluntary. Results of the survey, showing State and National level results for the selected fruit crops will be available at the end of July, 2024.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB number is 0535-0218. The time required to complete this information collection is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
