Introduction

This information is being collected to assist the Food and Nutrition Service in maintaining the National Disqualified List of institutions, day care home providers, and individuals that have been terminated or otherwise disqualified from participation in the Child and Adult Care Food Program (CACFP). This is a mandatory collection under Section 243(c) of Public Law 106-224, the Agricultural Risk Protection Act of 2000, which amended section (42 U.S.C. 1766(d)(5)(E)(i) and (ii)) of the Richard B. Russell National School Lunch Act and under 7 CFR 226.6(c)(7)(i). FNS uses the information to administer the program and ensures that it is available to State agencies for their use in reviewing applications to participate and to sponsoring organizations to ensure that they do not employ as principals any persons who are disqualified from the program. This collection requests personally identifiable information which will be kept private to the extent provided by law under the Privacy Act of 1974 and SORN USDA/FNS-11 Information on Persons Identified as Responsible for Serious Deficiencies, Proposed for Disqualification, or Disqualified to Participate as Principals or Family Day Care Home Operators in the CACFP.

Warning: The intended use of the National Disqualified List is only to verify that all who apply to operate the Child and Adult Care Food Program qualify to participate. Any other use of the National Disqualified List is strictly prohibited. By entering this site, you are agreeing to use the site for only this purpose.

OMB Number: 0584-0584
 Expiration Date: 7/31XXXX

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0584-0584. The time required to complete this information collection is estimated to average 30 minutes (0.50 hours) per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to:
