

2019-2020 Action Plan Year:

- When creating the action plan, please adhere to the guidance:**
- Each **PRO** must align with 100CCO priority areas and have at least three **evidence-based interventions (EBIs)**.
 - Each **EBI** must have **activities** that align with the five funding opportunity announcement (FOA) strategies (Program Collaboration, External Partnerships, Cancer Data and Surveillance, Implementation of EBIs, and Program Monitoring and Evaluation).
