**{PREAMBLE}**

On behalf of the Centers for Disease Control and Prevention (CDC), we're conducting a study about different health and smoking related advertising and messages that you might see in the media, such as on TV or the internet. Your opinions are very important to us! The purpose of this survey is to gather your opinions on health and smoking-related advertising only; it is not to see products. We will not report your answers individually. We will report results from this survey for the group as a whole. Thank you for taking the time to help us! It will take about 2 minutes to determine your eligibility and about 13 minutes to complete the survey. Immediately upon completion of the survey, you will be provided with points equivalent to \$0.50.

Your participation in this survey is voluntary. You may stop participating at any time.
