

Dear Patient,

Our mission at the NIH Clinical Center is to provide our patients with the highest quality health care that we can. To accomplish this, we need to know what we are doing right and what needs improvement. We depend on our patients and their families to keep us informed.

By sharing your thoughts and feelings about your health care experience, you can help make our care better for future patients and their families. Please take a few minutes to complete the following patient experience survey. If you choose not to participate, this will not affect your care.

Thank you for your participation.

Sincerely,
