

NLM Technical Bulletin Article:

## **NIH Preprint Pilot: Your Feedback is Requested**

NIH Preprint Pilot Update. NLM Tech Bull. 2021 July-Aug;(440):e2.  
**2021 July 10** [posted]

How are you using preprints? How has the National Institutes of Health (NIH) Preprint Pilot affected your work? Has NIH's encouragement of the use of preprints changed how you view preprints? Has having preprints in PubMed and PubMed Central changed how you view these NIH resources?

NLM would like to hear from users of PubMed and PubMed Central: Health care professionals, researchers, librarians, journalists - anyone with an interest in biomedical research. Please [complete our questionnaire](#) to provide your input.
