

Post-Move Survey

Welcome!

Thank you for taking the time to complete this post-move survey. The intent of this survey is to capture responses from tenants involved in Phases 3 and 4 of the Rockledge I/II renovation.

As part of our renovation efforts, we want to take this opportunity to gather feedback about the move and the engagements between each IC/OD office and the move team.

Responses will help us understand our communication strategy and the most effective methods to communicate with you and your coworkers during a project like this. Your responses are important to us and to the continued success of this new workspace and future engagements with NIH.

Instructions:

- Your responses are completely anonymous and secure.
- For each question select the option that best represents your view.
- The survey will take less than 5 minutes to complete.
- Try to answer each question as honestly and accurately as possible.

Questions about this survey can be sent to Maggie Willis at maggie.willis@crtkl.com.
