

Dear Colleagues,

Thank you for your time and commitment to make this multi-phase NIH scientific workshop on violence a success.

To help NIH with future scientific workshop planning, we would like your feedback. Would you please take 10 minutes to participate in the post-workshop assessment to provide input on each phase:
<https://survey.alchemer.com/s3/6475127/NIH-Violence-Workshop-Participant-Satisfaction-Feedback?>

The assessment is voluntary, and your feedback will help improve future work. **Responses are due by September 15, 2021.**

If you experience difficulties accessing the assessment, please contact Rachel Pisarski (RPisarski@scgcorp.com) or if you have any questions please contact Irene Avila (irene.avila@nih.gov).

Best,

Irene
