

## Thursday 11/18 – Email Message to GFH2R Participants with Feedback Survey

Dear GFH2R Participants,

Thank you once again for being a part of the Global Forum on Humanitarian Health Research (GFH2R)! We hope you enjoyed the presentations, breakout discussions, and opportunities to meet experts in the field.

To help us assess the meeting, **please complete a short feedback survey at this link:**

<https://forms.office.com/r/0cTkZpN4qS>. Of note, if you would like to receive a certificate of participation in GFH2R, please enter your email address in the last question (this question will be separated from your responses).

Please also note that [Moodle platform](#) which the meeting was hosted on will continue to be available to you. You can find participants' contact information, view video recordings of sessions, and download case studies [on the site](#).

Additionally, the Fogarty International Center at NIH maintains a Humanitarian Health Research listserv with occasional messages that may be of interest. If you would like to subscribe, send an email to [listserv@list.nih.gov](mailto:listserv@list.nih.gov) with the text "Subscribe humanitarian-health-research" as the body of the email, with no other text in the subject line or body of the email. Then, check your email to confirm your subscription.

For technical issues or questions, please contact Kerry Gilbertson ([kgilbertson@crdfglobal.org](mailto:kgilbertson@crdfglobal.org)) and Kay Kornek ([kkornek@crdfglobal.org](mailto:kkornek@crdfglobal.org)). For questions regarding GFH2R or the feedback survey, please contact Adrienne Hunt ([a.hunt@wellcome.org](mailto:a.hunt@wellcome.org)) and Blythe Beecroft ([blythe.beecroft@nih.gov](mailto:blythe.beecroft@nih.gov)).

Sincerely,  
Kerry
