

NCBI Comparative Genomics Resources Survey

Start of Block: Intro Block

OMB Control Number: **0925-0648**

Expiration Date: **06/30/2024**

Public reporting burden for this collection of information is estimated to average 6 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

* Indicates required question

Q1 Which role most closely describes you?

- Researcher
 - Student
 - Patient, family, caregiver, or friend of patient
 - Librarian or information professional
 - Educator/trainer
 - Healthcare Professional
 - Other (please include below) _____
-

Q2 Does your research or teaching involve comparative genomics of eukaryotic organisms? *

- Yes
- No
- I don't know

End of Block: Intro Block [If answer is Yes, continue to next block, if not, end survey.]

Start of Block: Eukaryotic Research

Q3 Which NCBI content, tools and databases do you use when conducting research or teaching that involves comparative genomics?

Q4 Which *non-NCBI* resources and tools do you use in comparative genomics analyses or teaching?

Q5 How important are NCBI resources for your analyses involving or teaching comparative genomics?

- Extremely important
 - Very important
 - Moderately important
 - Slightly important
 - Not at all important
-

Q6 How well do NCBI resources meet your needs associated with comparative genomics?

- Extremely well
 - Very well
 - Moderately well
 - Slightly well
 - Not well at all
-

Q7 How easy is it to use NCBI resources for comparative genomics?

- Extremely easy
 - Somewhat easy
 - Neither easy nor difficult
 - Somewhat difficult
 - Extremely difficult
-

Q8 How likely are you to recommend NCBI resources for comparative genomics research to a friend or colleague?

- 0
- 1
- 2
- 3
- 4
- 5
- 6
- 7
- 8
- 9
- 10

Q9 What additional resources would you like NCBI to offer for eukaryotic comparative genomics?

Q10 Please provide your email address if you would like to be contacted about comparative genomics at NCBI.

End of Block: Eukaryotic Research
