Day 1: Wednesday, April 27

### Public Burden Statement

OMB#: 0925-0648

Expiration Date: 06/2024

Public reporting burden for this collection of information is estimated to average 2 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch; 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

**The format of the NIEHS Environmental Health Disparities and Women's Reproductive Health workshop was effective in raising awareness of the problem of disparities in maternal and women's health outcomes by race, ethnicity, and environmental exposures, and adequately covered indicators and measures of structural racism as factors of maternal and child health.**
