

Email to take the survey:

Do you download MeSH data or would if it were available in a different format? You've received this email because the National Library of Medicine is looking for feedback on formats used for MeSH data and as a MeSH data user, we want to hear from you! Currently MeSH is available for download in four formats on our [Download MeSH Data page](#), and NLM is looking for more information about what formats users prefer. This information will help us understand your needs and make evidence-based decisions about the formats we offer.

The survey is anonymous and should take less than 2 minutes. Please consider taking this quick survey to provide your comments on current data formats for MeSH: [Include the link here] It will be available until we have 200 responses or 90 days have passed, whichever comes first.

Technical Bulletin:

Do you download MeSH data or would if it were available in a different format? The National Library of Medicine is inviting MeSH users to take a survey about data formats for MeSH. Currently the MeSH data is available for download in four formats on our [Download MeSH Data page](#), and NLM is looking for more information about what formats users prefer.

NLM is always looking for user feedback to improve our products and this information will guide future product development.

The survey should take less than 2 minutes and all responses will be anonymous. The survey is available at [insert link here] until we have 200 responses or 90 days have passed, whichever comes first.
