## NCCIH Research Blog Readership Survey

The National Center for Complementary and Integrative Health publishes blog posts to share many exciting research advances and results, events, funding opportunities and plans, and other news. We would like to hear **your view** on how we are doing with the NCCIH Research Blog and whether you have any suggestions for its improvement. Survey results will be used to plan future upgrades. Thank you for your visits and input!

### Welcome!

1. Please rate your level of interest in **these topics of blog posts**:
