NIDDK Health Information Survey

Health Information Survey

Disclaimer: The purpose of the survey is to collect responses from patients and health providers regarding their experience with NIDDK health information via the OCHIN electronic health record (EHR) system.

Public reporting burden for this collection of information is estimated to average 3 minutes total, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.
