strongly agree agree neutral disagree strongly disagree

The small group session helped me implement what I learned in the webinar.:

strongly agree agree neutral disagree strongly disagree

I felt comfortable discussing various issues in the small group session.:

- strongly agree agree neutral disagree strongly disagree

The small group session participant size was:

- too large a bit large just right a bit small too small

If you have any feedback or comments regarding the small discussion group, please let us know. below. If possible, please provide the name of the facilitator.:

Public reporting burden for this collection of information is estimated to average 5–minutes per submission. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892–7974, ATTN: PRA 0925–0648. Do not return the completed form to this address.

Collection of this information is authorized by The Public Health Service Act, Section 410 (42 USC 285). Rights of participants are protected by The Privacy Act of 1974. Participation is voluntary, and there are no penalties for not participating or withdrawing from the study at any time. The information collected in this study will be kept private to the extent provided by law. Names and other identifiers will not appear in any report of the study. Information provided will be combined for all participants and reported as summaries.
