

Default Question Block

Give your feedback - NIH Coursera Learning Program

Thank you for your willingness to provide feedback about your experience using Coursera through the NIH-provided licenses! Your responses will be valuable in helping us improve the program, evaluate its impact, and understand how NIH learners are using the Coursera platform.

You are eligible to participate in this survey if you currently have **or** previously had a Coursera license through NIH. Your participation is voluntary and does not affect your participation in the Coursera program; you may leave the survey at any time. The survey should take no more than 10 minutes to complete.

Your responses to this survey are anonymous and no personally identifiable information (PII) will be collected (unless you enter PII into open-ended response questions). If you volunteer to lead a study group as described in the survey, your email address will be collected separately from this survey and cannot be connected to your survey responses. All data and results that are reported or shared will be anonymous and cannot be connected to you.

If you have any questions about this survey or about the NIH Coursera Learning Program, please contact Lisa Federer (lisa.federer@nih.gov). If you don't currently have a license but would like to get one, please fill out [the application form](#).

OMB Control Number: 0925-0648

Expiration Date: 06/30/2024

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate, or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, Maryland 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

Do you/did you have an active Coursera license through NIH?

- I currently have an active license
- I had a license previously but it is no longer active
- I have had a license but I don't know if it's currently active

How did you hear about the NIH Coursera Learning Program?

- NIH Data Science Teams space
- Data science or Office of Data Science Strategy email
- IC or division email or website
- Your supervisor
- Colleague/word of mouth
- Don't recall
- Other

Which of the following best describes what motivated you to participate in the NIH Coursera Learning Program? (Check all that apply.)

- Required to participate (e.g. by your supervisor)
- Wanted to learn a specific new skill for work
- Wanted to generally enhance my data science skills
- Wanted to learn a new skill for personal goals
- Other (please specify)

About how long have you been using/did you use Coursera through NIH?

- Less than 3 months
- 3-6 months
- 6-9 months
- 9 months - 1 year
- More than a year

How would you describe your level of computational/data science expertise before participating in the NIH Coursera Learning Program and currently/after participating?

	No experience	Beginner	Intermediate	Advanced	Expert
Before participating	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Current/After participating	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

How did/do you find new courses to take on the NIH Coursera platform? (Check all that apply.)

- Search for a specific topic on Coursera website (e.g. Python, R)

- Use Skillsets
- Browse by subject category (e.g. data science, computer science)
- Use Coursera recommendations
- Recommendations from colleagues
- Other

How did/do you complete your coursework? (Check all that apply.)

- With a partner(s) at NIH
- With a partner(s) outside of NIH
- Alone

How have you used (or do you plan to use) the skills you learned through the NIH Coursera Learning Program, if any, in your work? (Check all that apply.)

- Starting a new work or research project
- Improving work I was already doing
- Taking on new kinds of work or new roles
- Educating colleagues
- Haven't used new skills
- Haven't gained any new skills
- Other (please specify)

How much impact have the skills you learned through NIH Coursera courses had on your work?

- 0 - No impact 1 2 3 4 5 - High impact
-

Which of these features have you used?

- Skillsets (personalized, skill-based course tracks)
- Assessments (quizzes or other in-course knowledge checks)
- Assignments or capstone projects (longer in-course projects)
- Discussion Forums (discussion boards for interacting with other learners in the course)
- Guided Projects (interactive mini courses)

How useful have you found the Skillsets (personalized, skill-based course tracks) feature?

- Extremely useful
- Somewhat useful
- A little useful
- Not at all useful

How useful have you found the Assessments (quizzes or other in-course knowledge checks) feature?

- Extremely useful
- Somewhat useful
- A little useful
- Not at all useful

How useful have you found the Assignments (longer in-course projects) feature?

- Extremely useful
- Somewhat useful

- A little useful
- Not at all useful

How useful have you found the Discussion Forums (discussion boards for interacting with other learners in the course) feature?

- Extremely useful
- Somewhat useful
- A little useful
- Not at all useful

How useful have you found the Guided Projects (interactive mini courses) feature?

- Extremely useful
- Somewhat useful
- A little useful
- Not at all useful

Have any of the following factors made it difficult for you to complete as many courses as you have wanted to? (Check all that apply.)

- Didn't have enough time
- Courses required too much work
- Couldn't find courses I was looking for
- Courses didn't meet my needs/goals
- Courses were difficult to understand
- Wasn't motivated
- My license was re-assigned due to lack of activity

Other

What assistance could help you overcome barriers to participation in the program? (Check all that apply.)

- Study groups of NIH learners
- A mentor with experience in the course topic
- Dedicated time in my schedule to work on courses
- Help finding relevant courses
- Regular email reminders to participate/complete courses
- Other (please specify)

How likely are you to recommend the NIH Coursera Learning Program to your colleagues?

Not at all likely Extremely likely
0 1 2 3 4 5 6 7 8 9 10

What changes would you make to the NIH Coursera Learning Program? (Leave blank if none.)

What topics would you like to take a course on that are not already included on the NIH Coursera platform? (Leave blank if none.)

What is your career status?

- Fellow/trainee
- Early career
- Mid career
- Senior staff
- Other

What Institute or Center are you located in?

What best describes your primary role at NIH?

- Clinical research/clinical care
- Basic science research
- Computational research
- Other intramural research
- Extramural staff (e.g. program officer, scientific review officer, etc)
- Administrative
- Other (please specify)

The NIH Coursera Learning Program team is considering developing informal study groups to enable peer-to-peer learning among NIH staff working on the same course. These study groups would be led by someone who has already completed the course. Would you be willing to lead a study group for a course you have already completed?

If you respond yes or maybe, you will be directed to a new form to input your email address so we can contact you. Your email address will not be connected

to this survey, so your responses will remain anonymous.

- Yes
- Maybe
- No
