

EMAIL TO REVIEWERS

SUBJECT: Your Upcoming Review Meeting

Dear Dr. X

CSR has decided to resume in-person review meetings this fall. We plan to hold the meetings for about 1/3 of our standing study sections, small business, and fellowship review meetings in person this fall, with the expectation that the remaining 2/3 of such meetings will be held in-person later in the year. These plans are subject to change if circumstances warrant.

It would help our planning tremendously if you would take a minute to answer the following two question survey regarding your participation in a possible in-person meeting this fall.

Your participation is voluntary, and your answers will be kept private under the Privacy Act. The survey should take less than two minutes to complete.

Please click <HERE> to take the survey. If the link is not clickable, you may copy and paste the URL below into your Internet browser window:

If you have any questions or concerns, please feel free to contact me at hope.cummings@nih.gov

Thank you in advance for your participation and for your commitment to the NIH peer review process.

Sincerely,

Hope M. Cummings, Ph.D.
