SCREENSHOTS FROM ONLINE ASSESEMENT FORM

Opening page – Respondents select ONE of the following choices for format.

NIH National Institutes of Health
HEAL Initiative

Fourth Annual NIH HEAL Initiative® Investigator Meeting

Assessment Form

Please select the format in which you attended the meeting (*required*):

In person

Virtual

Next

Please indicate your attendee type (*required*):

HEAL-funded researcher – principal investigator or co-investigator

HEAL-funded researcher – other research team member (please specify)

[   ]

NIH staff or federal staff

Community organization

Other

[   ]

What were the most informative sessions? (Select all that apply.)

Opening Plenary: Early Foundations for HEALing: Preliminary Findings of the Eat, Sleep, Console Care Approach for Opioid-Exposed Infants

Plenary: NIH HEAL Initiative: Then and Now

Scientific Symposium and Discussion Group – Engaging Diverse Perspectives for Innovation and Impact

Scientific Symposium and Discussion Group – Systems as Change Agents to Break Implementation Barriers

Scientific Symposium and Discussion Group – Neuronal Insights for the Development of Novel Pain and Opioid Use Disorder Treatment

Scientific Symposium and Discussion Group – Technology-Focused Treatments for Pain and Opioid Use Disorder

Scientific Symposium and Discussion Group – Targeting Health Systems to Treat Co-Occurring Disorders

Dialogue: Learning Across the HEAL Research Landscape

Plenary: Scientific Collaborations to Address the Overdose Crisis

Plenary: The HEALing Communities Study: Empowering Communities to Combat Opioid Overdose Deaths

Poster Session and Networking

Fireside Chat: How Research is Informing Federal Efforts to Increase Treatment Access for Pain and Addiction

Plenary: The NIH HEAL Initiative's Ongoing Effort to Improve Pain Management in Response to a Crisis

Plenary: Making Data Speak: The Promise of the HEAL Data Platform

Plenary: Trailblazer Awards Announcement and Presentations

Scientific Symposium and Discussion Group – Scientific Solutions to Mitigate Stigma

Scientific Symposium and Discussion Group – Increasing Access to Innovative Treatment and Prevention Services

Scientific Symposium and Discussion Group – Developing and Implementing Treatments to Address the Polysubstance Use Crisis

Scientific Symposium and Discussion Group – Innovative Therapeutic Strategies for Pain and Opioid Use Disorder

Plenary: Presentation of HEAL Director's Awards

Plenary: Closing Remarks

What was it about **Opening Plenary: Early Foundations for HEALing: Preliminary Findings of the Eat, Sleep, Console Care Approach for Opioid-Exposed Infants** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Plenary: NIH HEAL Initiative: Then and Now** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Scientific Symposium and Discussion Group – Engaging Diverse Perspectives for Innovation and Impact** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Scientific Symposium and Discussion Group – Systems as Change Agents to Break Implementation Barriers** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Scientific Symposium and Discussion Group – Neuronal Insights for the Development of Novel Pain and Opioid Use Disorder Treatment** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Scientific Symposium and Discussion Group – Technology-Focused Treatments for Pain and Opioid Use Disorder** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Scientific Symposium and Discussion Group – Targeting Health Systems to Treat Co-Occurring Disorders** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Dialogue: Learning Across the HEAL Research Landscape** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Plenary: Scientific Collaborations to Address the Overdose Crisis** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Plenary: The HEALing Communities Study: Empowering Communities to Combat Opioid Overdose Deaths** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Poster Session and Networking** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Fireside Chat: How Research is Informing Federal Efforts to Increase Treatment Access for Pain and Addiction** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Plenary: The NIH HEAL Initiative's Ongoing Effort to Improve Pain Management in Response to a Crisis** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Plenary: Making Data Speak: The Promise of the HEAL Data Platform** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Plenary: Trailblazer Awards Announcement and Presentations** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Scientific Symposium and Discussion Group – Scientific Solutions to Mitigate Stigma** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Scientific Symposium and Discussion Group – Increasing Access to Innovative Treatment and Prevention Services** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Scientific Symposium and Discussion Group – Developing and Implementing Treatments to Address the Polysubstance Use Crisis** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Scientific Symposium and Discussion Group – Innovative Therapeutic Strategies for Pain and Opioid Use Disorder** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Plenary: Presentation of HEAL Director's Awards** that you found informative? Please describe. We will use this information to plan for next year's meeting.

What was it about **Plenary: Closing Remarks** that you found informative? Please describe. We will use this information to plan for next year's meeting.

Back   Next

What sessions and topics would you like to see at next year's meeting?

[text box]

Back   Next

What did you think about the structure of the meeting?

Breaks

| Not enough breaks | Right amount of breaks | Too many breaks |

Length of Meeting

| Too short | Just right | Too Long |

Overall structure (e.g., type of sessions, number of sessions, time of sessions):

[text box]

Back   Next

On a scale of 1 to 5, how much did you like the format of the concurrent scientific symposia and subsequent discussion sessions?

5 - Like a great deal

4 - Like somewhat

3 - Neither like nor dislike

2 - Dislike somewhat

1 - Dislike a great deal

Back   Next

If you chose not to present a research poster, what could we do in the future to facilitate your participation?
