

## Welcome to the Sexual and Gender Minority Health Research Summer Intensive Series!

OMB#: 0925-0648 Exp., date: 06/30/2024

**Public reporting burden for this collection of information is estimated to average 5-minutes per submission. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA 0925-0648. Do not return the completed form to this address.**

**We look forward to your participation in the Sexual and Gender Minority (SGM) Health Research Summer Intensive Series (SIS)! To gauge current knowledge about SGM health research, please complete the following questions before the start of the SIS.**

There are only 3 questions. All questions are optional. You may exit the survey at any time.

For the following questions, please note that SGM = Sexual and Gender Minority.

SGM populations include, but are not limited to, individuals who identify as lesbian, gay, bisexual, asexual, transgender, Two-Spirit, queer, and/or intersex. Individuals with same-sex or -gender attractions or behaviors and those with a difference in sex development are also included. These populations also encompass those who do not self-identify with one of these terms but whose sexual orientation, gender identity or expression, or reproductive development is characterized by non-binary constructs of sexual orientation, gender, and/or sex.

### 1. What is your current institution?

- NIH Bethesda
- NIH off-site
- University
- Non-Profit
- Other (please specify)

### 2. What is your current role at your institution?

- Summer Intern
- Postbac
- Pre-doc
- Early Investigator
- Established Investigator
- Other (please specify)

3. Please rate your confidence and knowledge about SGM health research on a Likert scale of 1-5, with 1 being Strongly disagree to 5 being Strongly agree.

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
SGM populations face health disparities.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
SGM health research is part of regular health research; no special considerations are needed.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I feel competent in my abilities to work in an environment focusing on SGM health.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
SGM patients do not have any specific health research needs.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I feel am not able to find SGM health resources.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I do not understand the challenges of collecting sexual orientation and gender identify data in healthcare settings.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I know about the NIH programs aimed at advancing SGM health.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I feel confident in my ability to follow a career path in SGM health research if I choose.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
