If you are conducting a focus group or survey or plan to employ statistical methods, please provide answers to the following questions:

The selection of your targeted respondents

1. Do you have a customer list or something similar that defines the universe of potential respondents, and do you have a sampling plan for selecting from this universe?
 Yes No
2. If yes, please describe both below (or attach the sampling plan). If the answer is no, please explain how you plan to identify your potential respondents and how you will select them.

The survey will be sent to a list of institutions (approximately 180) and individuals (approximately 230) that partner with CGH. Of the 410 invited to participate, we estimate that 60%, or 246 will respond.

Administration of the Instrument

1. How will you collect the information? (Check all that apply)
 Web-based or other forms of Social Media
 Telephone
 In-person
 Mail
 Other, Explain
2. Will interviewers or facilitators be used? Yes No, not for the survey. If we decide to follow up with interviews (undecided now), we will submit for another clearance.

Please ensure that all instruments, instructions, and scripts are submitted with the request.
