**Note:** Specific questions in this form are illustrative; different questions may be included depending on the findings discovered during the implementation process. This Action Planning Form was pulled from CCL Phase I instruments and has been adapted to meet the needs of the current project.

Questions will be selected based on relevance at time of data collection such that the time to complete the Action Planning Form is no more than 15 minutes.

## Action Planning: Where Should We Begin?

| Driver being<br>addressed   | How will we do it?             |   | How will we measure success?   | Who will do<br>it?   | When<br>will it get<br>done?                | How will we<br>follow up?   |
|---|--------------------------------|---|--|--|---|---|
| What is the<br>secondary driver<br>we are trying to<br>address with this<br>PDSA cycle? | What change will be<br>tested? | What tasks need to be done to<br>prepare for the test? (Gather<br>data, bring in more people,<br>create materials, inform staff or<br>leader, etc.) | What metric, data, or<br>outcome will we be<br>watching to see if this<br>change is making<br>things better? | Who will have<br>primary<br>responsibility<br>? Who else<br>needs to be<br>involved? | What are<br>the short-<br>term<br>timelines | How will we keep<br>track of our<br>progress on this?<br>How will it be<br>shared with the<br>rest of the team? |
