## Example Generic Information Collection for Monitoring Activities

## **Document Submission Chart**

In the chart below, for each regulation listed, please provide the title of the document being provided for pre-visit review, its file name or URL, the page or section that addresses the specific regulation, and the date that the document is being submitted to ACF. One document may be listed for multiple regulations. ACF will review this information prior to conducting the scheduled on-site monitoring visit.

Regulations	Document to Review	File Name or URL	Page/Section	Date Sent
Topic 1 - Disaster	Preparedness, Response, and Reco	overy
