The human remains and associated funerary object were removed from Henderson County, IL.

DATES: Repatriation of the human remains and associated funerary object in this notice may occur on or after October 16, 2023.

ADDRESSES: Jennifer R. Haas, NAGPRA Coordinator, University of Wisconsin-Milwaukee, P.O. Box 413, Milwaukee, WI 53201, telephone (414) 229-3078, email haasjr@uwm.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the UWM. The National Park Service is not responsible for the determinations in this notice. Additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records held by the UWM.

Description

In 1972 and 1979, human remains representing, at minimum, three individuals were removed during an archeological surface survey by UWM of the Dusty Rhodes site (11-HE-14) in

Henderson County, IL. The site dates to the Middle Woodland Havana/Hopewell (A.D. 0 to 400) and Late Woodland (A.D. 600 to 1200) periods. After completion of the survey, these human remains were transferred to UWM. The one associated funerary object is one lot consisting of faunal skeletal elements, a projectile point, bifaces, lithic debitage, pottery sherds, and shell fragments.

Cultural Affiliation

The human remains and associated funerary object in this notice are connected to one or more identifiable earlier groups, tribes, peoples, or cultures. There is a relationship of shared group identity between the identifiable earlier groups, tribes, peoples, or cultures and one or more Indian Tribes or Native Hawaiian organizations. The following types of information were used to reasonably trace the relationship: geographical, historical, oral traditional, and expert opinion.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes and Native Hawaiian organizations, the UWM has determined that:

- The human remains described in this notice represent the physical remains of three individuals of Native American ancestry.
- The one object described in this notice is reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a relationship of shared group identity that can be reasonably traced between the human remains and associated funerary objects described in this notice and the Crow Creek Sioux Tribe of the Crow Creek Reservation, South Dakota; Flandreau Santee Sioux Tribe of South Dakota; Ho-Chunk Nation of Wisconsin; Iowa Tribe of Kansas and Nebraska; Iowa Tribe of Oklahoma; Lower Sioux Indian Community in the State of Minnesota; Miami Tribe of Oklahoma; Otoe-Missouria Tribe of Indians, Oklahoma; Peoria Tribe of Indians of Oklahoma; Prairie Band Potawatomi Nation; Prairie Island Indian Community in the State of Minnesota; Santee Sioux Nation, Nebraska; Shakopee Mdewakanton Sioux Community of Minnesota; The Osage Nation; and the Winnebago Tribe of Nebraska.

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary object in this notice to a requestor may occur on or after October 16, 2023. If competing requests for repatriation are received, the UWM must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary object are considered a single request and not competing requests. The UWM is responsible for sending a copy of this notice to the Indian Tribes identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.9, 10.10, and 10.14.
