**SUPPLEMENTARY INFORMATION:** In  
 accordance with the Paperwork  
 Reduction Act of 1995 (PRA, 44 U.S.C.  
 3501 *et seq.*) and 5 CFR 1320.8(d)(1), we  
 provide the general public and other  
 federal agencies with an opportunity to  
 comment on new, proposed, revised,

and continuing collections of  
 information. This helps us assess the  
 impact of our information collection  
 requirements and minimize the public’s  
 reporting burden. It also helps the  
 public understand our information  
 collection requirements and provide the  
 requested data in the desired format.

On April 6, 2023, we published the  
 60-day **Federal Register** Notice in the  
**Federal Register** (88 FR 20548) to  
 request OMB to approve the renewal of  
 the information collection associated  
 with the Youth Conservation Corps  
 Application and Medical History Forms.  
 We solicited public comments for 60  
 days, ending June 5, 2023. We did not  
 receive any comments from the public.

As part of our continuing effort to  
 reduce paperwork and respondent  
 burdens, we are again soliciting  
 comments from the public and other  
 federal agencies on the proposed ICR  
 that is described below. We are  
 especially interested in public comment  
 addressing the following:

(1) Whether or not the collection of  
 information is necessary for the proper  
 performance of the functions of the  
 agency, including whether or not the  
 information will have practical utility;

(2) The accuracy of our estimate of the  
 burden for this collection of  
 information, including the validity of  
 the methodology and assumptions used;

(3) Ways to enhance the quality,  
 utility, and clarity of the information to  
 be collected; and

(4) How might the agency minimize  
 the burden of the collection of  
 information on those who are to  
 respond, including through the use of  
 appropriate automated, electronic,  
 mechanical, or other technological  
 collection techniques or other forms of  
 information technology, *e.g.*, permitting  
 electronic submission of response.

Comments that you submit in  
 response to this notice are a matter of  
 public record. Before including your  
 address, phone number, email address,  
 or other personal identifying  
 information in your comment, you  
 should be aware that your entire  
 comment—including your personal  
 identifying information—may be made  
 publicly available at any time. While  
 you can ask us in your comment to  
 withhold your personal identifying  
 information from public review, we  
 cannot guarantee that we will be able to  
 do so.

**Abstract:** The Youth Conservation  
 Corps (YCC) is a summer youth  
 employment program that engages  
 young people in meaningful work  
 experiences at national parks, forests,  
 wildlife refuges, and fish hatcheries  
 while developing an ethic of

environmental stewardship and civic  
 responsibility. YCC programs are  
 generally eight to ten weeks and  
 members are paid at least the state or  
 federal minimum wage (whichever is  
 higher) for a 40-hour work week. YCC  
 opportunities provide paid daytime  
 work activities with members who  
 commute to the federal unit daily.  
 Authorized by the Youth Conservation  
 Corps Act of August 13, 1970, as  
 amended (U.S. 1701–1706),  
 participating agencies (National Park  
 Service, U.S. Fish and Wildlife Service,  
 Forest Service) use common forms: DI–  
 4014, “Youth Conservation Corps  
 Application” and DI–4015, “Youth  
 Conservation Corps Medical History” to  
 collect information to determine the  
 eligibility of each youth for employment  
 with the YCC. Parents or guardians must  
 sign both forms if the applicant is under  
 18 years of age.

 seasonal employment in the YCC  
 Program.

 unless it displays a currently valid OMB  
 control number.

The authority for this action is the  
 Paperwork Reduction Act of 1995 (44  
 U.S.C. 3501 *et seq.*).
