

Certificate of Pardon for the Offense of Simple Possession of Marijuana on or before October 6, 2022

On October 6, 2022, President Biden issued a [presidential proclamation](#) that pardons federal convictions for simple marijuana possession offenses.

How a pardon can help you

A pardon is an expression of the President's forgiveness. It does not signify innocence or expunge the conviction. But it may remove civil disabilities—such as restrictions on the right to vote, to hold office, or to sit on a jury—that are imposed because of the pardoned conviction. It may also be helpful in obtaining licenses, bonding, or employment.

How to qualify for the pardon

You qualify for the pardon if:

- ✓ On or before October 6, 2022, you were charged with or convicted of simple possession of marijuana by either a federal or D.C. Superior court
- ✓ You were a U.S. citizen or lawfully present in the United States at the time of the offense
- ✓ You were a U.S. citizen or lawful permanent resident on October 6, 2022
