The screenshot shows the FARA eFile Guide registration wizard. At the top, there is the Department of Justice logo and a search bar. Below the logo is a navigation menu with links: HOME, ABOUT, AGENCIES, RESOURCES, NEWS, CAREERS, CONTACT. The main content area is titled "Welcome to the FARA eFile Guide" and contains a "Welcome to the FARA eFile Guided Registration Wizard!" message. The message explains that the wizard will assist with filing FARA registration forms and supporting documents, and that red asterisks indicate required fields. A "Do not show again" checkbox is visible at the bottom of the message. On the right side of the page, there is a "SHARE" button and an "eFile Logout" button. Welcome to the FARA eFile Guide

Welcome to the FARA eFile Guided Registration Wizard!

This wizard will assist you with filing your FARA registration forms and supporting documents with the FARA Unit. In most cases you will be able to move freely between the wizard's different sections using the navigation pane on the right side of the application and the "Back", "Save", and "Save and Continue" buttons. Helpful tips and explanations are provided throughout in the form of question marks, which you can click on at any time.

Red asterisks on the page indicate that the associated fields must be completed before the page can be saved and before you can continue. All of the fields in the wizard must have an entry prior to final submission. Before transmitting the information, the wizard will assist you with locating and providing an entry for any fields that may have been left empty earlier in the process. You will then be shown a preview of the information you are about to submit before sending it to the FARA Unit. This process will also enter the information onto the registration forms. You will have access to a PDF version of the completed forms via your eFile account, and the completed forms will also be posted for public search at <http://www.fara.gov>.

Existing Registrant – Notice to Legacy Registrant

Notice to Legacy Registrant

This is to advise you that this registration has been migrated to a new and enhanced platform for filing documents pursuant to the Foreign Agents Registration Act of 1938, as amended, 22 U.S.C. § 611 et seq. ("FARA"). This upgraded filing system ("eFile") allows registrants to submit data through a self-guided, web-based questionnaire, rather than uploading PDFs.

The new eFile system streamlines the registration process and improves overall search functionality of FARA filings. Registrants will continue to use their current eFile account numbers and passwords to access the new eFile system. The new process is self-guided, provides helpful instructions and definitions, and automatically pre-populates submitted data for future filings. Importantly, eFile will help ensure all required fields are completed and responses are standardized, which will promote transparency and efficiency. This information can be provided within the application or by using offline templates that registrants can prepare in advance and upload with their FARA filings. **The [offline templates](#) allow the registrant to compile political contributions, political activities, and monetary receipts and disbursements.** Additional details regarding this feature, including the templates, are posted on the FARA [website](#).

In addition, you are encouraged to provide us with an email address (below) for use in managing the eFile account. Disclosure of an email address to the Department of Justice is voluntary. The email address the registrant submits will be used to facilitate a change of password if necessary. If the registrant does not provide an email, the Department of Justice will not be able to send a new password via email upon request.
