1. ASSURANCES FOR CLEARANCE ORDERS:

- A. Employer agrees to provide to workers referred through the clearance system the number of hours of work disclosed in this clearance order for the week beginning with the anticipated date of need, unless the employer has amended the date of need at least 10 business days before the original date of need by so notifying the Order-Holding Office (OHO) in writing (e.g., e-mail notification). The employer understands that it is the responsibility of the SWA to make a record of all notifications and attempt to inform referred workers of the amended date of need expeditiously. 20 CFR 653.501(c)(3)(i).
- B. If there is a change to the anticipated date of need and the employer fails to notify the OHO at least 10 business days before the original date of need, the employer agrees that it will pay eligible workers referred through the clearance system the specified rate of pay disclosed in this clearance order for the first week starting with the originally anticipated date of need or will provide alternative work if such alternative work is stated on the clearance order. 20 CFR 653.501(c)(5).
- C. Employer agrees that no extension of employment beyond the period of employment specified in the clearance order will relieve it from paying the wages already earned, or if specified in the clearance order as a term of employment, providing transportation from the place of employment, as required under paragraph 7.B above. 20 CFR 653.501(c)(3)(ii).
- D. Employer assures that all working conditions comply with applicable Federal and State minimum wage, child labor, social security, health and safety, farm labor contractor registration and other employment-related laws. 20 CFR 653.501(c)(3)(iii).
- E. Employer agrees to expeditiously notify the OHO or SWA by emailing and telephoning immediately upon learning that a crop is maturing earlier or later, or that weather conditions, over-recruitment or other factors have changed the terms and conditions of employment. 20 CFR 653.501(c)(3)(iv).
- F. If acting as a farm labor contractor (FLC) or farm labor contractor employee (FLCE) on this clearance order, the employer assures that it has a valid Federal FLC certificate or Federal FLCE identification card and when appropriate, any required State FLC certificate. 20 CFR 653.501(c)(3)(v).
- G. Employer assures that outreach workers will have reasonable access to the workers in the conduct of outreach activities pursuant to 20 CFR 653.107. 20 CFR 653.501(c)(3)(vii).
- H. Employer agrees that this ETA Form 790B informs the employer that pursuant to 20 CFR 653.503, if a U.S. worker is placed on a clearance order, the SWA, through its ES offices, and/or Federal staff, must conduct random, unannounced field checks to determine and document whether wages, hours, and working and housing conditions are being provided as specified in the clearance order. Field checks must include visit(s) to the worksite at a time when workers are present. When conducting field checks, ES staff must consult both the employees and the employer to ensure compliance with the full terms and conditions of employment. For more information on Field Checks, the employer may consult 20 CFR 653.503.
