IMPORTANT: Employers and authorized preparers must read these general instructions carefully before completing the Form ETA-790/790A, *Agricultural Clearance Order*, and all required addenda. These instructions contain explanations of the questions and assurances that make up the Form ETA-790/790A. If you are not submitting these forms electronically, please complete ALL required fields/items containing an asterisk (*) and any fields/items where a response is conditional as indicated by the section (§) symbol.

It is a federal offense to knowingly and willfully furnish materially false information in the preparation of the Form ETA-790/790A and/or any supplement thereto, or to aid, abet, or counsel another to do so (18 U.S.C. §§ 2, 1001). Other penalties may also apply to fraud or misuse of this immigration document and to perjury with respect to this form (18 U.S.C. §§ 1546, 1621).

REQUIREMENT TO FILE AN AGRICULTURAL CLEARANCE ORDER (FORM ETA-790/790A)

In accordance with 20 CFR 653.500, all employers seeking U.S. workers to perform agricultural services or labor on a temporary, less than year-round basis through the Agricultural Recruitment System for U.S. Workers must submit a completed job clearance order to the State Workforce Agency (SWA) for placement on its intrastate and interstate job clearance systems. In the case of a clearance order to be placed in connection with an *H-2A Application for Temporary Employment Certification* (Form ETA-9142A) for H-2A workers, the clearance order must be submitted to the National Processing Center (NPC), and the NPC will transmit the job order to the SWA. In accordance with 20 CFR 655.121, prior to filing an *H-2A Application for Temporary Employment Certification* (Form ETA-9142A), the employer must submit a job order to begin intrastate clearance with the SWA serving the area of intended employment, identifying it as a job order to be placed in connection with a future Form ETA-9142A for H-2A workers. The job order is defined as the document containing the material terms and conditions of employment that is posted by the SWA on its inter- and intra-state job clearance systems based on the Form ETA-790/790A. 20 CFR 655.103(b). An employer seeking a temporary agricultural labor certification under the H-2A visa classification must satisfy this regulatory requirement by completing the Form ETA-790/790A.

The Form ETA 790/790A is designed to (1) facilitate the initial receipt and processing of the job order by the SWA, (2) identify the primary employer(s) of the worker(s) sought for the job opportunity, (3) designate that the job order will be used in connection with a future Form ETA-9142A for H-2A workers, and (4) disclose all the material terms and conditions of employment that the employer will offer to H-2A workers and U.S. workers. Except in emergency situations (20 CFR 655.134) or for job opportunities involving herding or production of livestock on the range (20 CFR 655.205), the employer must submit this job order no more than 75 calendar days and no less than 60 calendar days before the first date of need. The job order submitted to the NPC must satisfy the requirements for agricultural clearance orders in 20 CFR part 653, subpart F and the requirements set forth in 20 CFR part 655, subpart B.

Any references to the term “clearance order” on the Form ETA-790/790A and these instructions shall have the same meaning as the “job order.”

FORM ETA-790A – H-2A AGRICULTURAL CLEARANCE ORDER

Section A

Job Offer Information

1. Enter the job title that most clearly describes the agricultural labor or services to be performed.
2. Enter the number of workers that need to be employed full-time to perform the temporary agricultural services or labor.
 - a. Enter the total number of workers needed.

This is the total number of workers the employer plans to hire to address its temporary or seasonal labor needs during the period identified in Items A.3 and A.4. When calculating the total number of workers needed, include both:

- The number of former non-H-2A employees the employer anticipates will return—both those workers who can and who cannot reasonably return to their residence within the same day; and
- The number of additional workers the employer seeks to recruit through this H-2A clearance order and other H-2A program recruitment (*i.e.*, the number entered in Item A.2b).

- b. Of the total number of workers needed, entered in Item A.2a, enter the number of H-2A workers requested for temporary agricultural labor certification.

This is the total number of additional temporary agricultural workers the employer needs, which the employer seeks to fill with H-2A workers, unless recruitment through this H-2A clearance order and other H-2A program recruitment efforts provide the employer with sufficient qualified, able, willing, and available U.S. worker referrals and/or applicants. Note that the number in Item A.2b will be reduced by one for each U.S. worker who is referred or applies for the job opportunity, who is not rejected for lawful job-related reasons.

Important Note: The employer must provide housing, and daily transportation between the housing and place(s) of employment, to all H-2A workers hired and to those workers in corresponding employment who are not reasonably able to return to their permanent residence within the same day. See Form ETA-790A, Section I, Items 3 and 7.C. This housing and daily transportation obligation also applies to all “migrant farmworkers,” as defined at 20 CFR 651.10. For non-H-2A workers, the employer’s obligation to provide housing and daily transportation extends to any farmworker who may reside within the broadly identified area of intended employment but cannot reasonably return to their permanent residence within the same day. Accordingly, the employer must ensure that its housing and daily transportation vehicles have capacity to satisfy the employer’s obligation with regard to the total number H-2A workers entered in Item A.2b as well as the number of migrant workers included in Item A.2a who cannot reasonably return to their residence within the same day. To clarify, the Department encourages employers to identify whether or not the employer is required to provide housing and daily transportation to each non-H-2A worker listed in its H-2A recruitment report.

3. Enter the first date for the period of intended employment. Use a month/day/year (*mm/dd/yyyy*) format.
4. Enter the last date for the period of intended employment. Use a month/day/year (*mm/dd/yyyy*) format.
5. Select “YES” or “NO” to indicate whether the job opportunity generally requires the worker to be on-call 24 hours a day, 7 days a week. For example, an employer submitting a job order for a job opportunity involving herding or production of livestock on the range, which requires the worker to be on-call up to 24/7, would mark “YES” and proceed to Item 8. All other employers must mark “NO” and complete Items A.6 and A.7.
6. Use Items 6a through 6h to identify the anticipated days and hours of work per day and per week. Use a numerical (99.99) format for each Item below. An entry is required for each box listed in this field. Reminder: Employers may use the Form ETA-790A, Addendum C, to disclose additional information about the job opportunity (*e.g.*, variations in anticipated days or hours of work per day and per week for different crops or agricultural activities), depending on the unique specifications of the employer’s job opportunity.
 - a. Enter the total hours of work that will normally be offered to workers per week. The entry in this field must be at least 35.00 hours per week and cannot be less than the sum of the entries in Items 5b through 5h.
 - b. Enter the total hours of work that will normally be offered to workers on Sunday.
 - c. Enter the total hours of work that will normally be offered to workers on Monday.
 - d. Enter the total hours of work that will normally be offered to workers on Tuesday.
 - e. Enter the total hours of work that will normally be offered to workers on Wednesday.

 - g. Enter the total hours of work that will normally be offered to workers on Friday.

Use Items 7a and 7b to identify the normal daily work schedule for the job opportunity using the standard time in the area where the work is expected to be performed (e.g., 9 AM to 5 PM, 7 AM to 11 AM and 4 PM to 8 PM). Reminder: Employers may use the Form ETA-790A, Addendum C, to disclose additional information about the job opportunity (e.g., different shifts or variations in normal daily work schedule for different crops or agricultural activities), depending on the unique specifications of the employer's job opportunity.
- a. Enter the start time of the day that work will normally begin and select a checkbox to indicate whether the expected start time of work is "AM" or "PM."
 - b. Enter the end time of the day that work will normally end and select a checkbox to indicate whether the expected end time of work is "AM" or "PM."
8. Use Items 8a through 8e to identify the specific crop activity or agricultural activity and, if applicable, distinct work task(s) performed within that crop activity or agricultural activity. Describe the duties or services to be performed by the workers and the wage(s) that will be offered, advertised, and paid to the workers for performing the agricultural labor or services.
- a. Enter a description of the job duties or services to be performed in each crop activity or agricultural activity. Describe the work tasks that make up the job, summarizing each step as appropriate, and avoid using technical terms without properly defining or explaining them where usage is necessary. Reminder: Employers may use the Form ETA-790A, Addendum C, to disclose additional information about the job opportunity (e.g., duties or services related to different crops or agricultural activities), depending on the unique specifications of the employer's job opportunity.
 - b. Enter the wage that will be offered, advertised, and paid to workers performing the job duties or services in the crop activity or agricultural activity and, if applicable, distinct work task(s) performed within that crop activity or agricultural activity. If the employer offers a range of wage rates for each crop or agricultural activity (and, if applicable, distinct work task(s) performed within that crop activity or agricultural activity), enter the minimum wage offer in Item A.8b (Wage Offer). The employer should enter a rate that is no less than the highest applicable hourly wage rate from the sources listed in 20 CFR 655.120(a) in Item A.8b, including any hourly wage rate guarantee an employer offers in conjunction with piece rate(s). Note: The upper range of any wage offers will be collected in the "Piece Rate Units/Special Pay Information" fields in Item A.8e and in Form ETA-790A, Addendum A.
 - c. Select either "**HOUR**" or "**MONTH**" to identify the unit of pay for the wage offer entered in Item 8b. Mark only one box. See 20 CFR 655.120(a).
 - d. If applicable, enter the piece rate that will be offered, advertised, and paid to workers performing the job duties or services in the crop activity or agricultural activity and, if applicable, distinct work task(s) performed within that crop activity or agricultural activity.
 - e. If applicable, enter the piece rate units (e.g., tree size/spacing, weight/size/number of boxes picked/packed, dimensions of bags or boxes filled) and/or any other special pay information (e.g., performance bonuses or incentives associated with performing the job duties or services) or the upper end of a wage range offered for a particular crop activity or agricultural activity and, if applicable, distinct work task(s) performed within that crop activity or agricultural activity. Examples of piece rate units include 5/8 bushel, 90 pound bag or box, 10 box bin. Examples of other special pay information related to a particular crop activity or agricultural activity are additional pay per acre or based on crop yield. In addition, enter the estimated hourly wage rate equivalent for each piece rate or base rate and bonus that is offered for each activity and unit size, if applicable (i.e., what a worker might expect to earn per hour at this rate). See example below. Include or be prepared to make the method of calculating the estimated hourly wage rate equivalent(s) and supporting materials available to the SWA.
- Important Note:** The estimated hourly equivalent is not the offered rate nor a guarantee. The offered rate and/or guaranteed hourly rate must be entered in Item A.8b-d, and the corresponding fields on the Form ETA-790A, Addendum A, if applicable. In addition, the wage rate guarantee requirement is explained in Section I, Item 11. Although not the offered rate nor a guarantee, the estimated hourly equivalent can be no less than the highest of the applicable Federal or State minimum or the prevailing hourly wage rate.

Section C
Place of Employment Information

It is important for the employer to define the place(s) of employment with as much geographic specificity as possible. This information is used to determine the area of intended employment, for purposes of reviewing and verifying regulatory compliance with advertising, positive recruitment requirements, and prevailing wage determinations.

For employers operating on work itineraries covering one or more areas of intended employment or those engaged in the herding or production of livestock on the range, the place of employment disclosed in Items C.1 through C.6 may be the location where the work itinerary is expected to begin, a designated pick-up point where workers will meet, or the employer's business or office location nearest where work will be performed in the area. For agricultural associations filing as a joint employer with members, the place of employment disclosed in these fields may be the address of the agricultural association or the centralized location where workers will report for work assignments with members of the agricultural association. Section

E

Provision of Meals

1. Describe how the employer will provide each worker with three (3) meals a day or furnish free and convenient cooking and kitchen facilities so that workers can prepare their own meals. Where the employer provides facilities for workers to prepare their own meals, please explain how the workers will have access to stores where they can purchase groceries and describe the facilities and space for food preparation, as well as the necessary equipment, appliances (including refrigeration), cooking accessories, and dishwashing facilities (e.g., adequate sinks with hot and cold water under pressure) that are in working condition and will be used by workers to sufficiently prepare three (3) meals a day. If the employer has an agreement with a third-party that will prepare the meals for the employer’s workers, identify the vendor and explain the employer’s arrangement with the vendor with sufficient detail to apprise workers how, when, and where the workers will obtain the meals from the vendor and that the employer will pay the vendor directly for the meals provided. If additional space is needed to complete the response to Item E.1, the employer may use the Form ETA-790A, Addendum C. On Addendum C, enter “E.1” in Item 1, “Provision of Meals” in Item 2, and then complete the description of the employer’s provision of meals to workers in Item 3.

Important Note: Providing access to third-party vendors and requiring workers to purchase meals from the third-party vendor does not constitute compliance with the requirement to provide meals or cooking and kitchen facilities, even if the employer provides a meal stipend. Employers who provide facilities for workers to prepare their own meals should consider disclosing to workers how meals will be provided, including any appropriate meal charges, in the event kitchen facilities become temporarily inoperable or otherwise unavailable.

2. Select the option designating whether the employer will charge workers for the provision of meals. If the employer will provide free and convenient cooking and kitchen facilities or will provide meals at no charge, mark the “will not charge” box. If the employer will provide meals, or will provide free and convenient cooking and kitchen facilities but wishes to disclose a meal charge, for example, in the event the kitchen facilities become unavailable, and intends to charge workers for the provision of meals, the daily charge per worker must be entered in currency format (e.g., \$9.99).

Identify the number of vehicles to be used and type of vehicle and seating capacity for each vehicle. State whether the vehicles to be used will be provided by the fixed-site grower(s), are authorized for use under a valid Farm Labor Contractor Certificate of Registration, or belong to a common carrier, identifying the common carrier by name. In addition, identify whether the daily transportation at no cost to workers is available to workers who do not reside in employer-provided housing. Similarly, describe any other transportation the employer will provide (e.g., for personal errands). If additional space is needed, use the Form ETA-790A, Addendum C.
2. Describe how the employer will provide workers with transportation (a) to the place of employment from the place from which the worker has come to work for the employer (i.e., inbound) and (b) from the place of employment to the place from which the worker departed (i.e., outbound). At a minimum, state whether such transportation, and related daily subsistence, will be provided by the employer or paid by the employer to the worker for reasonable costs incurred (e.g., advance payment or reimbursement) and identify the modes of transportation, if known. For example, the employer may state that it will provide or pay for charter bus services or other modes of transportation to groups of workers, or permit workers to select any means of transportation they choose and reimburse workers at no less than the most economical and reasonable common carrier transportation charges for the distances involved. If additional space is needed, use the Form ETA-790A, Addendum C.
3. Enter the amounts per day that the employer will pay for or reimburse daily meals for each worker.
 - a. Enter the minimum daily subsistence amount per day in currency format (e.g., \$9.99).

FORM ETA-790A ADDENDUM A

For Disclosure of Additional Temporary Agricultural Services and Wage Offer Information (Section A, Item 9)

This Addendum must be fully completed and submitted with the Form ETA-790A when the employer needs to disclose additional information about the payment of wages for specific crops and/or agricultural activities and, if applicable, distinct work task(s) performed within that crop activity or agricultural activity. The employer must disclose wage information covering all the crops or agricultural activities (and, if applicable, distinct work task(s) performed within that crop activity or agricultural activity) that workers will need to perform under the agricultural clearance order. For example, where an employer has multiple applicable hourly rates (*e.g.*, due to work in different States subject to different AEWRs), the employer may disclose the distinct hourly rates by entering the crop and state on the Addendum A. The employer could enter the wage rate information for "Lettuce Harvesting – California" with the hourly AEWR covering work performed in California in one row, and then enter the wage rate information for "Lettuce Harvesting – Arizona" with the hourly AEWR covering work performed in Arizona on another row.

Addendum A will collect up to 10 rows of wage offer information for particular crops and/or agricultural activities. For electronic filings, if the employer needs to disclose more than 10 rows of wage offer information, the filing system will automatically provide the employer with the option of adding more rows to the Addendum A until the response is completed. For mailed or paper filings, the employer will make one or more copies of the Addendum A to complete and attach to the Form ETA-790A.

Column 1: Crop ID

Enter the "Crop ID" designated in Item A.8a, if applicable, for a particular crop or agricultural activity and, if applicable, distinct work task(s) performed within that crop activity or agricultural activity. An employer using large crews working on a wide array of diversified crops may designate one or more "Crop ID" in Item A.8a and then use the "Crop ID" to organize wage offer and pay information for multiple varieties of the same crops or commodities on the Addendum A.

Column 2: Crop or Agricultural Activity

Enter the name of the crop or agricultural activity and, if applicable, distinct work task(s) performed within that crop activity or agricultural activity.

Column 3: Wage Offer

Enter the wage offer for the crop or agricultural activity and, if applicable, distinct work task(s) performed within that crop

activity or agricultural activity entered in Column 2 in currency format (e.g., \$9.99).

Column 4: Per

Enter the unit of pay: “HR” (i.e., hour), “MO” (i.e., month), or “PR” (i.e., piece rate).

Column 5: Piece Rate Units / Estimated Hourly Rate / Special Pay Information

Enter additional information, such as the piece rate units and estimated hourly wage rate equivalent(s) and/or any other special pay information (e.g., performance bonuses or incentives) associated with performing the job duties or services in the crop or agricultural activity and, if applicable, distinct work task(s) performed within that crop activity or agricultural activity.

Section C

Additional Place of Employment Information

Addendum B will collect up to 10 rows of information related to the places of employment. For electronic filings, if the employer needs to disclose more than 10 rows of information related to the places of employment, the filing system will automatically provide the employer with the option of adding more rows to Section C of the Addendum B until the response is completed. For mailed or paper filings, the employer will make one or more copies of Section C of the Addendum B to complete and attach to the Form ETA-790A.
