### Privacy and Paperwork Reduction Act Statement

#### Privacy Act Statement

**Authority:** 42 U.S.C. 2451, et seq. The National Aeronautics and Space Act of 1958, as amended

**Purpose(s):** 1. To store and evaluate proposals or other information related to participation in NASA opportunities, i.e., to compete for or receive funding, e.g., assistance, i.e., grants or cooperative agreements, acquisitions, and Space Act Agreements, including for projects conducted on a no-exchange-of-funds basis. 2. To identify, invite, and when applicable, pay, subject matter experts (a) to serve as reviewers in a NASA merit review or related processes; (b) to apply for a NASA position or NASA-related position; and/or (c) to attend a NASA meeting or participate in another type of engagement. 3. To study progress and results of NASA activities for program management, evaluation, or public reporting.

**Routine Uses** As permitted by the Privacy Act of 1974, as amended, use of Opportunities and Associated Reviewers (NASA 100AAR) information occurs in accordance with the Routine Uses and NASA Standard Routine Uses listed in the system of records notice(s) published in the Federal Register (FR). NASA 100AAR's initial FR document number was 2023-03749 in 88 FR 11479 published February 23, 2023. A full copy of the most recent FR notice may be downloaded at <https://www.nasa.gov/content/nasa-privacy-act-system-of-records-notices-sorns>. Information from this system may be merged with other systems to complete public reporting, studies or evaluations as required by public law, regulations and/or executive orders.

**Disclosure:** Providing information is voluntary; however, failure to provide full and complete information may reduce the possibility of receiving NASA funds or engaging in another type of NASA opportunity.

#### Paperwork Reduction Act Statement

This information collection meets the requirements of 44 U.S.C. § 3507 as amended by section 2 of the Paperwork Reduction Act of 1995. You are not required to respond to these questions unless we display a valid Office of Management and Budget (OMB) control number. The OMB control number for this collection is 2700-0092 and this information collection expires on 10/31/2025. We estimate that it will take an average of 120 hours to read the instructions, gather the facts, and answer the questions. Send only comments relating to our time estimate to: [Christiane.Diallo@nasa.gov](mailto:Christiane.Diallo@nasa.gov).

### Affiliations ⓘ

🔗 An affiliation is a relationship between a person and an organization that is registered in NSPIRES. You need to become affiliated with an organization if:

1. You are listed as a researcher (PI, Co-I) on a current or future NASA research proposal or award.
2. You work in the organization's Sponsored Research Office (SRO).

Identifying this relationship is a prerequisite for proposal submission.

### Associations

🔗 An association indicates a past or present working relationship between you and an organization. An association is similar to an affiliation in that both establish a relationship between a person and an organization. However, this relationship does not have to be confirmed by the organization. Indicating these relationships will help NASA in identifying potential conflict of interest situations during peer review of proposals.

You will be able to add your association after registration.
