PPR: Summary/ Staff Review Tab

The Summary/ Staff Review Tab provides a summary of your PPR. From this screen, you can print your PPR Summary, review your project's progress, enter notes to your Portfolio Manager, and review comments that your Portfolio Manager provided to you in their review of your PPR.

The screenshot shows the 'eGRANTS Progress Report' interface. At the top, there is a navigation bar with links for 'home', 'back to eGrants', 'my account', 'help', and 'logout'. Below this, the 'Grant Number: 13', 'NOFA: 5C', and 'Application ID: 13' are displayed. The main content area is titled 'Summary/Staff Review' and contains a 'Screen Instructions' panel on the left and a 'Summary Charts' section with four pie charts, each showing 100% completion. Below the charts is a 'Performance Measure Progress Summary' section with buttons for 'Print Complete Note History' and 'Print PPR Summary'. A table with columns for 'Target', 'Actual', 'Progress', and 'Status' is partially visible at the bottom.

There are two main sections on the Summary/ Staff Review Tab: Summary Charts and Performance Measure Progress Summary. The Summary Charts display, in pie charts, the actual numbers entered on the Progress Report tab, hovering over the various sections of the pie charts will show the actual numbers entered for each work plan.

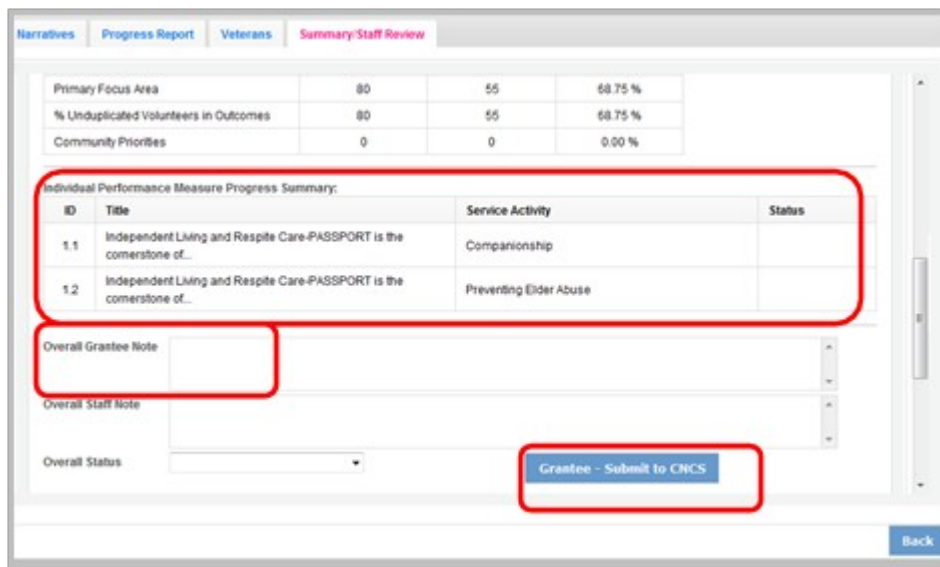

This close-up screenshot highlights the 'Summary Charts' section, which contains four pie charts, each representing 100% completion. The charts are labeled: 'Actual Vols by Focus Area', 'Actual Vols by Objective', 'Actual Vols by Category Title', and 'Actual % Vols working on results tied to Outcome'. The entire section is enclosed in a red rounded rectangle.

The Performance Measure Progress Summary shows progress towards meeting the National Performance Measure requirements. By clicking "Print Complete Note History" you can print all notes you entered in the Progress Report Tab. By clicking "Print PPR Summary" you can print the full work plan report. Notes are not part of the full work plan report.

At the bottom of the Performance Measure Progress Summary section, each work plan is listed. Use the Overall Grantee Note box to enter any additional information you would like to provide your Portfolio Manager.

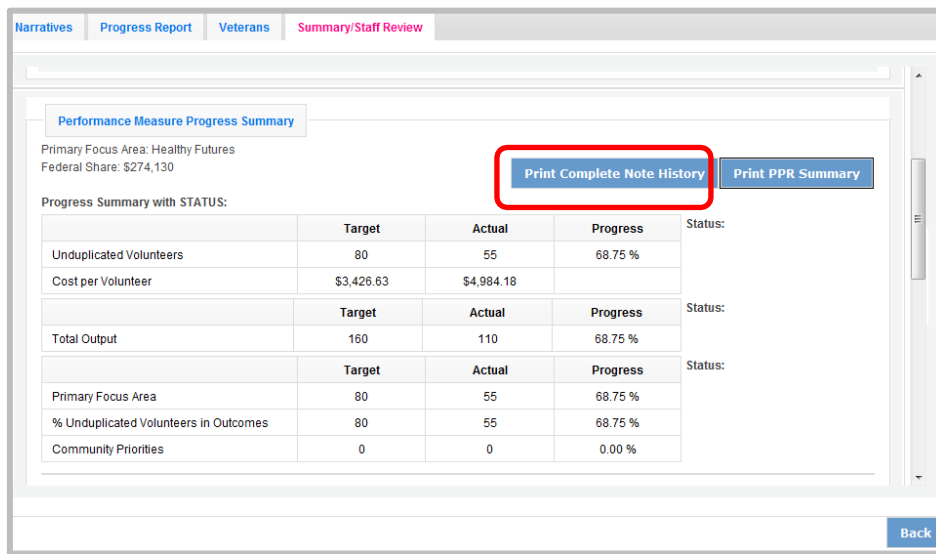

When you are sure you have entered all information correctly, click “Grantee- Submit to CNCS” to submit the PPR.

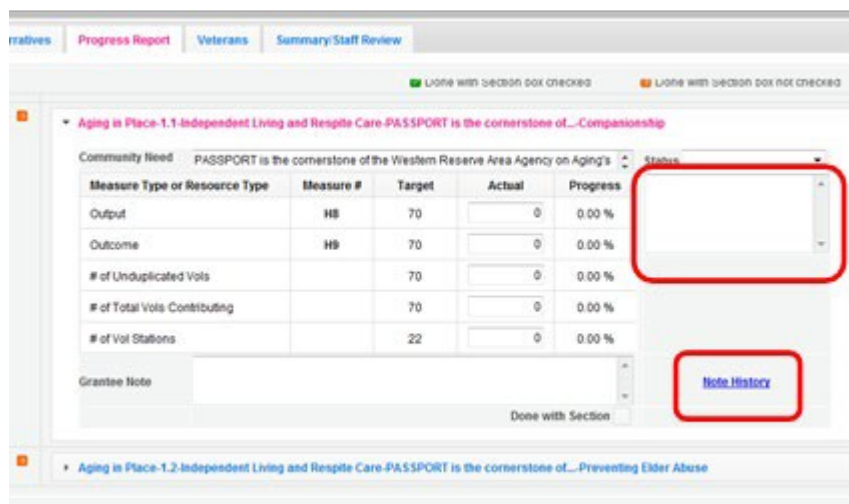

Progress Report- Returned for Rework

Information below applies to both the PPR and PPR Lite

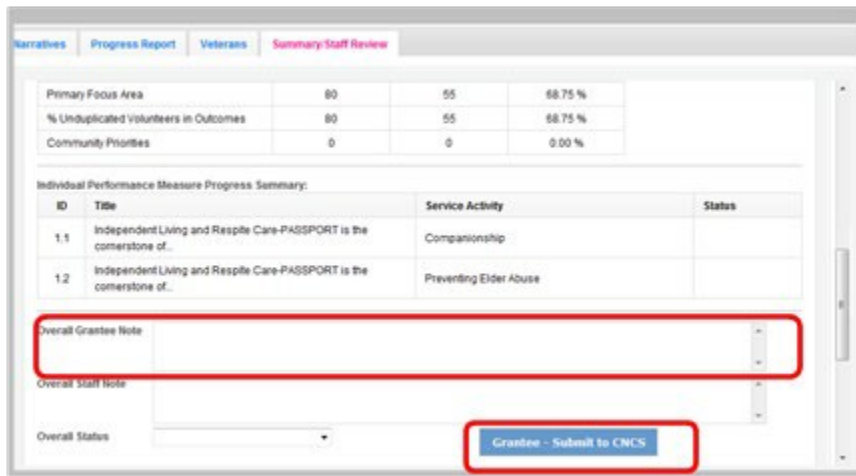

If your Portfolio Manager returns the PPR to you for rework, the PPR can be reviewed to help you understand where to make changes prior to resubmitting. Click on the Summary/ Staff Review Tab. Click “Print Complete Note History.” A printable PDF will open allowing you to review all notes entered by your Portfolio Manager. The notes should clearly indicate which work plan data or tabs need edited. Go to the appropriate tab to make the necessary changes.

Individual notes from your Portfolio Manager for each work plan can also be viewed on the Progress Report Tab. After clicking to open the work plan, you will see the Portfolio Manager notes displayed to the right of the work plan. You can also click on “Note History” to see the original note that you entered as well as the note from your Portfolio Manager for that work plan. After editing the data in the work plan, you can respond to your Portfolio Manager by entering a new Grantee Note for the work plan. Your Portfolio Manager can review the new Grantee Note and it becomes part of the Note History.

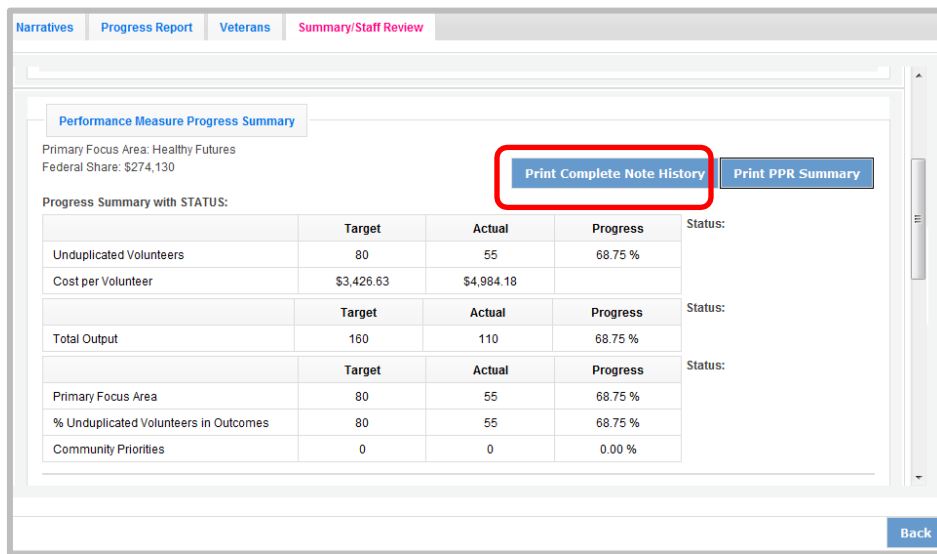

You may also want to enter a new note to your Portfolio Manager in the Overall Grantee Note section of the Summary/ Staff Review Tab. When all edits have been made, click “Grantee- Submit to CNCS” to resubmit the PPR.

Progress Report Reviewed

Once your Portfolio Manager has reviewed the PPR, view the PPR to see the Portfolio Manager's feedback. Click on Summary/ Staff Review Tab. Click "Print Complete Note History." A printable PDF will open allowing you to review all notes entered by your Portfolio Manager. The note history will also include all Grantee Notes that you have entered.

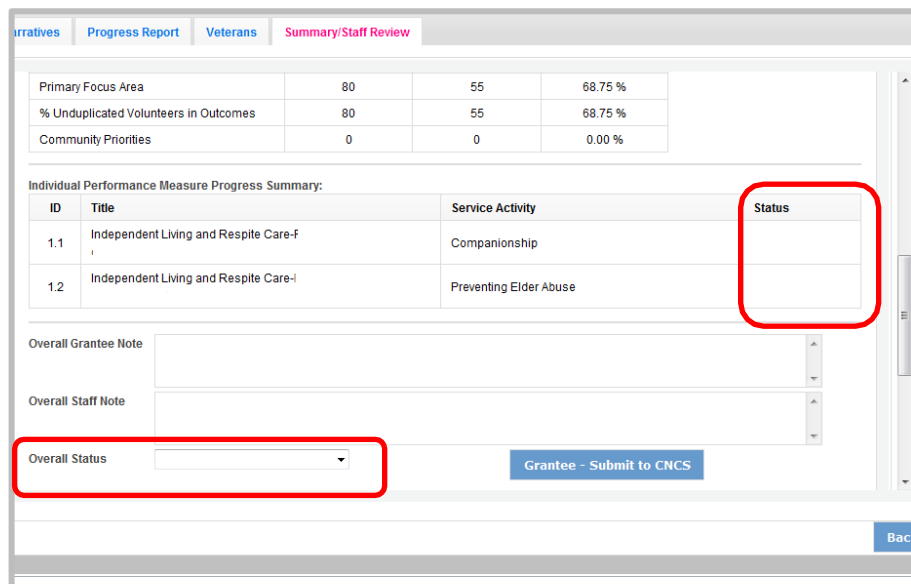

A status will be displayed next to each National Performance Measure requirement. A status of "On track" means that you have met your target. A status of "Needs Work" means that you have not met your target. A status of "complete" will only be used for the final PPR of the three-year project period. A "Complete" status means that the target was achieved.

The first status is for the total unduplicated volunteers. The second status is for the total output. The third status is for progress on unduplicated volunteers in the three performance measure requirements.

Your Portfolio Manager will also indicate an Overall Status for the entire PPR as well as statuses for each individual work plan.

If a status of “Needs Work” is selected for any part of the PPR, the overall status for the PPR will be “Needs Work.”

Individual notes from your Portfolio Manager for each work plan can also be viewed on the Progress Report Tab. After clicking to open the work plan, you will see the Portfolio Manager status and notes displayed to the right of the work plan. You can also click on “Note History” to see the full note history for that work plan.
